From: Ms. Kinnamon, Jr. High Teachers

Re: SISE PUEDE

Dear Science Scholars, Parents, and Guardians,
Your daughter has been invited to participate in this *Honors Science Program*, in hopes that the seeds of becoming an engineer will be planted.

This program will track your daughter for four years through Chandler/Gilbert Community College through the *SiSe Pude program*. Chandler/Gilbert is offering this four year program as a Stem Opportunity and it will be taught from 9:00-2:00-noon in the Science Room of St. Peter Indian Mission.

Before 'pandemic' we had GREAT success with the *STEM LEGO LEAGUE* and this caught the eyes of Professor Alberto Esperza. We are teaming up with his foundation, *SiSe Pude*. And we are totally excited with this endeavor due to our continued student interest in Drone LEGOs and Underwater Sea Perch. We are the first in Indian Country to be associated with 25 young people in grades 6-10.

It is important that these young people are here to LEARN; they are the ambassadors for Native Women in Engineering. This program will open many doors in High School and the College Level.

We do understand that students have other engagements in the Community and Family. We do ask that you let us know ahead of time or call if your young lady cannot attend on a specific Saturday. But we hope this does not happen.

FIND below the calendar dates of our classes so you can make arrangements. Professor Esperza and Engineering Students from ASU will oversee this program:

- Saturday, September 18th—Ms. Kinnamon's Science classroom
- Saturday, September 25th—Ms. Kinnamon's Science classroom
- Saturday, October 2nd—Ms. Kinnamon's Science classroom
- Saturday, October 16th—Graduation....Location: To be announced

ST. PETER INDIAN MISSION SCHOOL

1500 North St. Peter Road

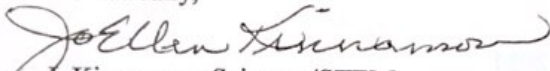

P.O. Box 10840 • Bapchule, Arizona 85121

(520) 315-3835 • Fax: (520) 315-3963 • Convent: (520) 315-3645

Lastly, we strive for academic success. it is important to be here and complete school work. You daughter will be required to hold 'B-Average-3.0. A grade check will be required weekly. This is a great life skill of commitment.

If you have any questions about the Foundation, you can google 'Side Puede foundation.com or me at 'JKinnamon @spimcs.org or 520-431-5580.

Stematically,

J. Kinnamon, Science /STEM

Sr. Martha

Parent Permission: Please return as soon as possible. Thank YOU!

I give my permission for my daughter,
to participate in the SiSe Puede Program under the direction of Ms. Kinnamon and Professor
Esperza as described in the letter.
