

Following are five prescription drug programs offered by pharmaceutical companies for individuals who have no other drug coverage. Individuals must apply directly to these companies. The state and none of its departments are involved in the administration of these programs, nor do we endorse solely these programs. This information is offered as a courtesy to our clients as possible optional sources of assistance to help them.

Together Rx

1. No cost to apply
2. Program covers 170 outpatient prescription medicines.
3. Eligible individuals receive a discount card for 20-40% off the cost of designated prescription medicines.
4. Sponsored by some of the largest pharmaceutical companies.
5. Individual cannot be covered on any public or private prescription drug program or Medicaid.
6. Individual cannot be eligible for Medicare.
7. Individuals income must be less than \$30,000 (\$60,000 for a family of four)
8. Must be a legal resident of the United States or Puerto Rico

Call 1-800-250-2839 to determine if you qualify for the quick start savings card or for more information about this program.

Lilly Cares

1. A doctor must request coverage for the patient.
2. Does not involve a card. Medications are provided directly to the physician for dispensing to the patient.
3. Eligibility is determined on a case-by-case basis in consultation with each prescribing physician.
4. Eligibility is based on the patient's inability to pay and lack of third-party drug payment assistance, including insurance, Medicaid and government, community, or private programs.
5. Covers most Lilly products except controlled substances.

Call 1-800-545-6962 for more information about the program.

Merck Patient Assistance Program

1. Application is completed by the physician and the patient.
2. There are only a few covered drugs, but if a person qualifies, there is no cost.
3. Patients must be residents of the United States, but do not have to be citizens.
4. Patients must have exhausted all third party pharmaceutical benefits, including from private insurance, HMOs, veterans assistance, etc.
5. They do not have to be on Medicare.
6. Single individuals must have less than \$18,000 annual income.
7. Couples must have less than \$24,000 annual income.
8. A family of four must have less than \$35,000 annual income.

Call 1-800-727-5400 for more information about this program.
