WE ARE *the* CHURCH

2020 has certainly been a challenging year. Yet, despite all obstacles, the Church remains a beacon of hope- a light to the world. Our faith is not confined to a physical building; the influence of the church does not stop at its front door.

We are the Church bringing hope by serving others in their time of need.

We are the Church finding new ways to uphold our most sacred traditions and always offering to others the most essential service of our prayers.

We are the Church standing in solidarity with all our brothers and sisters in raising a unified voice for peace and for dignity of all human life from conception to natural death.

TOGETHER, We are the Church a universal body of believers delivering to all peoples everywhere a faith filled message of hope and love.

All this is not possible without your support, especially through the ABCD. Soon, you will receive a letter from Archbishop Wenski about the upcoming ABCD Campaign. Please prayerfully consider mirroring the love of Christ by putting your faith into action and making a gift that allows the Archdiocese of Miami to help those in need just as He calls us to. Let us be **One in Faith, One in Hope and One in Charity.**
