

## High School Program (grades 9-12)

Dear Parents,

As we enter this new year of faith formation, I will be updating my contact lists with your religious education registration form information so I can keep you and your child aware of upcoming events. If you have not already done so, please fill out the [Religious Education 2020-21 Registration form](#) which can be found in the gather space or on the [SJN website](#).

Additionally, I update the [High School Program \(grades 9-12 religious education\)](#) and [Youth Ministry](#) (grades 6-12 activities) web pages weekly so please check to see what youth events are coming up. Starting September 12<sup>th</sup>, I will have a folder available for pickup in the gather space of the church for those who will not be joining us in-person. I will also be adding all parents/students to Life Teen's "Purpose" app so you can access all materials at your convenience. If you do not wish to use the app and would like me to email you the materials each week, please let me know.

If you use Facebook, I believe it will be beneficial for you to like/follow the SJN Merrimack page as it enables you to be notified when updates are posted. For updates on parish events (not just youth ministry), you can go the [SJN website](#) and [subscribe for parish emails](#).

Below is the current schedule for the fall semester discussing our "Purpose" in relation to a life of faith. This program should nicely link last year's talks on Jesus as a real person into other teachings of our Catholic Church. The *italicized, bold text* are non-Sunday opportunities to grow friendships and parish community.
