

Dear Parents,

Happy New Year! By the grace of God, may your 2021 be filled with many blessings including good health, joy and love.

It was wonderful to spend the last semester with your children as we began delving into the Creed. It brought me great joy to see them engaged and excited to be at class. We had times of getting to know others in the class as well as learning and some beautiful times of prayer as well as Adoration. As we continue this year of faith formation into the new year, I will be updating the [EDGE \(grades 6-8 religious education\)](#) and [Youth Ministry](#) (grades 6-12 activities) web pages weekly so please check to see what youth events are coming up. The materials for each gathering will be available on the webpage and I will also be emailing parents this information along with the link for youth to Zoom in to our gathering.

Below is the schedule for the winter/spring semester. If class gets canceled due to weather or other uncontrollable event, you will be able to use the materials given prior to class to cover it at home.
