

High School Program (grades 9-12)

Dear Parents,

Happy New Year! By the grace of God, may your 2021 be filled with many blessings including good health, joy and love.

It was wonderful to spend the last semester with your teen(s); we had times of getting to know others in the group as well as learning and some beautiful times of prayer as well as Adoration and Reconciliation. As we continue this year of faith formation into the new year, I will be updating the [High School Program \(grades 9-12 religious education\)](#) and [Youth Ministry](#) (grades 6-12 activities) web pages weekly so please check to see what youth events are coming up. You may acquire the class materials via our [SJN High School webpage](#) or the "Purpose" app . Additionally, I will email parents prior to each class links to the materials along with the link for teens to Zoom in to our gathering.

Below is the schedule for the winter/spring semester. If class gets canceled due to weather or other uncontrollable event, you will be able to use the materials given prior to class to cover it at home.
