Knights send heartfelt thanks to parish

Young mothers facing crisis pregnancies are being supported, families in need are being fed, and true Christian love is burning brightly, even in the darkest days of winter – thanks to you!

Knights of Columbus Council 10896 at St. John Neumann would like to send a hearty thanks to our wonderful parishioners for their generosity, participation and support in recent months.

Because of your participation in the “Keep Christ in Christmas” Christmas Cards sale, we were able to collect over \$650.00! Proceeds from the sales benefit parish and local charities, as do all Knights activities. The cards also send a beautiful reminder of the true meaning of Christmas.

Recently, the Knights conducted our second annual Chicken Pot Pie Take Out Sale! The Knights and other volunteers took to the parish kitchen and pumped out over 90 pies. The easy family dinner solutions were a big hit and we raised over \$700.00. Again, parish support was fantastic and greatly appreciated. Your support allowed us to contribute to the Food Pantry and other charities here at the church!

Right after the New Year, we again asked for your participation in providing gift cards to the annual statewide Knights of Columbus Crisis Pregnancy Center Support Drive. The Knights are happy to report that we, as a parish, contributed over \$1,700.00, making us one of the most generous parishes in the state. Your gift cards provided new mothers with material support for their new babies. Your amazing generosity lets these young women know they are loved and supported.

In all that the Knights do here at St. John Neumann, you the parishioners play the most important role. All of our work would be fruitless were it not for your continuous support and generosity. Even during the challenging times of COVID 19, invaluable parish support has kept the Knights eager to continue our mission.

Each year the Knights contribute \$2,000.00 to the Food Pantry. We also give out scholarships to graduating high school seniors who are going on to further their education. We sponsor and put on the Breakfast with St. Nicholas as well as many other parish events. If you would like to find out more about the Knights of Columbus, visit our national website at www.kofc.org. To learn more about our local council, please e-mail me, Tom Davis, at tfdpad67@comcast.net.

Thanks again and God Bless You,

Tom Davis
