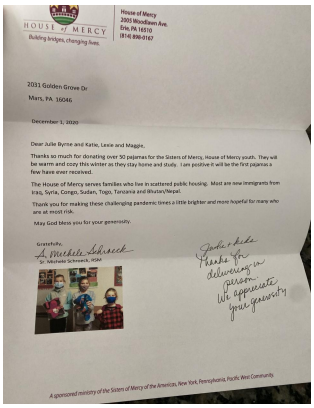
Pajama Drive 2021

For the last 3 years we have collected new winter pajamas from friends, family, and our school and parish communities and distributed them to families in need and local charitable organizations. Through this project we have met children who have had to quickly leave violent situations, families who are homeless, refugees from many different countries, and mothers who are unable to afford to clothe their babies. We have also been able to visit different types of charitable organizations and gain an understanding of how these pajamas make an impact on their recipients.

This project has become an extremely meaningful part of our holiday season, and since it has grown so much and we have a greater need for specific sizes, Student Council will be joining the project this year to help ensure our community's needs are covered!

If you would like to help begin a new holiday tradition for a family in need, you can either take a tag off Student Council's angel tree for a specific adult/child at our school's Trunk or Treat event, or choose new winter pajamas in any size (baby through adult) from now until December 1st, and drop them off in the box in the school lobby. If you do take an angel tag off the tree, please tape the angel to the pajamas so we can keep track. Distribution will be the first week of December to local nonprofits and charities.

It's been a difficult two years for many people, so this year especially these pajamas will serve as a reminder to those who receive them that no matter how hard things have been, everyone deserves to feel warm, safe, and loved - especially during the holiday season!

Thank you!


Katie (5th grade), Lexie (4th grade), and Maggie (1st grade) Miller and our BFSA Student Council
