While many people are doing fine, increasingly people are finding this time in isolation difficult. This video can help parishioners manage anxiety and maintain mental health wellness.

# THE SECOND SUNDAY OF EASTER – APRIL 19, 2020

## REFLECTIONS FROM THE CARMEL OF ST JOSEPH

And the people stayed home. And read books, and listened, and rested, and exercised, and made art, and played games, and learned new ways of being, and were still." And listened more deeply. Some meditated some prayed, some danced. Some met their shadows. And the people began to think differently.

And the people healed. And in the absence of people living in ignorant, dangerous, mindless and heartless ways the earth began to heal. And when the danger passed and the people joined together again, they grieved their losses, and made new choices and dreamed new images, and created new ways to live and heal the earth fully, as they had been healed.

## WORLD DAY OF PRAYER VOCATIONS

## INTERNATIONAL WORKER'S DAY MAY 1, 2020

Today, International Worker's Day is celebrated in many countries. This can be a day to recognize the value of human work, defend the dignity of working people, encourage all to be responsible in their work, and celebrate the role that human work has in God's plan for creation.

## The Memories of Brantford's Italian Community Project

We, the Memories of Brantford Committee, are a diverse group of Brantford citizens giving voice to the many ethnic groups who have contributed to Brantford's growth and prosperity.

We have representation from Laurier Brantford, Brant Museum and Archives, Brant Theatre Workshops, and professional/amateur researchers and historians. Our past project (Memories of Brantford's Jewish Community) was sponsored by the City of Brantford, Laurier Brantford, Downtown Business Association, the Canadian Industrial Heritage Centre, and many community groups and individuals.

We are currently working on creating a public history event on Brantford's Italian community for Fall 2020, which will include a documentary film, exhibits, walking tours, theatrical presentations, public lectures, food, and music.

Through the event, we seek to celebrate the rich histories of Brantford's Italian communities, and we are reaching out to you to help us tell your families' stories. We would love to hear your stories, borrow photographs/videos, documents and artifacts that will enrich the Italian narrative.
