THE FOURTH SUNDAY OF EASTER –May 3, 2020

THE MONTH OF MARY

The tradition of dedicating the month of May to Our Lady is centuries old, dating back at least 700 years. Blessed Pope Paul VI wrote an encyclical on the month of May, focusing on the Virgin Mary. He wrote that the piety of the faithful has long dedicated the month of May to the Mother of God. The reason for dedicating May to Our Lady is associated with the particular season of the year. May is certainly known for its springtime beauty (at least in the Northern Hemisphere). It is associated with flowers and blossoms, with trees which spring back to life, and grass which sprouts. It brings to mind the idea of promise and hope, of new life. For May, give Mary a special place of honour in your prayer corner. It can be a statue or a picture, but place it so you can make a real tribute to our dear Mother Mary during the month of May.
