MARRIAGE TIP OF THE MONTH

Marriage unites two people together in an intimate partnership, allowing each person to feel loved and cared for by their spouse. God made us relational, so marriage meets our need for another in our lives and fulfills our deepest need to be known. Yet, sadly, too many married people feel lonely. So, why not make 2021 a year of joy? Talk to each other about your hopes for the future; tell your spouse about good things or bad that have occurred at work; share a joke, funny story or a frustrating event from your day. When we share our lives with another we connect more deeply, feel part of the others life and loneliness disappears. An easy way to keep intimacy intact and loneliness away. (Family Ministry Office)

CONFIRMATION PACKAGES

Confirmation packages for young people entering Grade 7 or above who have not been confirmed have been sent out by the Parish schools. Registration forms are also available on the St Basil's Parish website. Because of the Provincial shutdown all confirmation dates have been postponed. We will continue to take new applications until we are able to book a new date. If you have any questions please call the parish office.

PARENTING TIP OF THE MONTH -

Children love to read the same book repeatedly, eat the same lunch every day and they do best,

THE EPIPHANY OF THE LORD January 3, 2021

in fact thrive, on a daily routine. The predictable makes children feel secure and competent because they know what to expect. With little children, routines for mealtimes, bed and bath times, prayer time and even playtime, can be a great comfort, making for happier children. This same wellness from routines also works for older children. The more routine in their lives, the more relaxed and happy their personality. So, start the New Year by creating a schedule for all family members, try it out and see how much peace can come to your household! (Family Ministry Office)
