HAPPY MOTHERS DAY

THE MONTH OF MARY

The tradition of dedicating the month of May to Our Lady is centuries old, dating back at least 700 years. Blessed Pope Paul VI wrote an encyclical on the month of May, focusing on the Virgin Mary. He wrote that the piety of the faithful has long dedicated the month of May to the Mother of God. The reason for dedicating May to Our Lady is associated with the particular season of the year. May is certainly known for its springtime beauty (at least in the Northern Hemisphere). It is associated with flowers and blossoms, with trees which spring back to life, and grass which sprouts. It brings to mind the idea of promise and hope, of new life. For May,

give Mary a special place of honour in your prayer corner. It can be a statue or a picture but place it so you can make a real tribute to our dear Mother Mary during the month of May.

Catholic Moms Groups: Where Moms Connect and Find Support for their Journey.

Now, more than ever, moms are feeling isolated and are craving connections. A Catholic moms' group allows women to connect with other moms, topics of interest, topics that impact their personal selves and God; it provides both support and encouragement. Beyond that, Moms groups help develop friendships with other moms providing proven mental health benefits and is a way of drawing women together to form a stronger sense of parish community.

As with all Ministry, parish groups will have local autonomy, but having a plan and material for getting started can make for a more successful experience. **Join us for a zoom session on Tuesday, June 1st at 7 P.M.** to learn more about the, what, where, when and why of starting a moms' group and hear information on the material available to provide support.

We will welcome Mrs. Dorothy Pilarski, who spearheaded this ministry in the Archdiocese of Toronto in 2015, to this gathering and she will share with us the excellent detailed online website she has created to provide support. This is a chance to see the website and hear the

overview of all the materials and support available from her Catholic Moms Groups website.

This session will be an information sharing session, so is recommended for pastors, associate pastors, lay ministers and/or interested lay members of your parish who may be interested in starting a group, or those who would like to know what supports are available for an existing group. A training session for those who are interested will occur later. **This event will be provided using zoom, so registration will be necessary.** You can register under this direct link below.

FIRST COMMUNION
