

Policy regarding Daily Health Monitoring

This plan calls on every member of the school community to support our values of mutual respect, integrity, willingness to sacrifice for the common good and foster community bonds across generations. Commitment to the policies will assist in protecting the health and welfare of all members of our school community.

COVID Waiver: Parents will need to complete the COVID waiver as a condition of attending in person instruction.

Pre-Arrival Screening: Each morning before arrival, parents will complete a symptom screening as stated by the school.

In an effort to keep our school community safe, we ask that parents monitor their children's health daily. Below are the expectations related to daily health monitoring.

If your child exhibits any of the symptoms listed below, please keep your child home from school and contact the school office:

- Fever of 100.4 or above,
- Chills,
- Cough,
- Shortness of breath or difficulty breathing,
- Fatigue,
- Muscle or body aches,
- Headache,
- New loss of taste or smell,
- Sore throat,
- Congestion or runny nose,
- Nausea or vomiting,
- Diarrhea,
- My child has not had any contact with anyone with COVID
- My child has not traveled to a location designated as a "Hot Spot"
- I am following all CDC recommended guidelines and limiting my/my child's exposure to risks such as above

If the symptoms are serious please seek immediate medical attention. Always call before visiting your doctor or health facility.

We will keep you informed if the list of symptoms listed above changes in any way.

Thank you for your cooperation.
