

CHRIST THE KING

CATHOLIC PARISH

Parent/Guardian Photograph Release Form

2017-2018

Dear Parent/Guardian: As we grow and develop our parish website and bulletin, we use photographs of parishioners and students participating in related activities and events. These photographs will be used for the sole purpose of visually enhancing our website and bulletin. They may also be used in press releases. Out of concern for the privacy of parishioners and students, we want to secure parental permission before publishing photographs of any minors participating in religious education. Please note that no information (name, grade level, etc.) would be published — only photographs of activities or events.

We value your family's participation and support in our Religious Education Ministry and ask for your permission to include images of your child/children.

We must have a signed copy of this form in our records granting or denying permission for us to use your child/children's photograph for our parish website, bulletin and press releases.

Please supply the requested information on the form below.

Child's Name (Please Print all if more than one):

I understand, as a parent/legal guardian of the above named child(ren), that in signing this form I am giving Christ the King Catholic Parish and Religious Education Ministry permission to use photographs of my child(ren) on the parish website, in the parish bulletin and in any press releases.

PERMISSION

Yes, I give permission to use my child/children's pictures with confidence that no information (name, grade level, etc.) will be published — only photographs of activities or events.
