Greetings, brothers and sisters in Christ!

It is my greatest joy to be assigned as your new pastor, your brother in the faith, and your servant in Christ’s Church. Please know of my prayers for you as we begin this new chapter in our lives together. St. Mary’s and SS John and James share a vibrant and significant heritage in West Warwick and for the Diocese of Providence. I am humbled that I can add my voice to this magnificent heritage and to the prayers of so many people who came before us and handed down our faith.

I am excited and eager to get to know each and every one of you and your families, and I look forward to working together to strengthen the bonds of our faith that unite us all in the Church in West Warwick. Please be patient with me as I begin this assignment, and know that I will do my best to serve you and your needs.

God Bless you all!
Fr. Fleming
