

COMPARISONS -- VPD/VISD INTERLOCAL AGREEMENT WITH OTHERS

	FACILITIES	RESPONSIBILITIES - PARKS / CITY	RESPONSIBILITIES - SCHOOLS	COST SHARING	FEES
VASHON	Commons -- athletic facilities owned by or operated by the parties, except HS theater. Includes fields and gyms plus certain meeting rooms.	Scheduling, <u>at its expense</u> , of all commons facilities during non-school hours. Maintenance of all park district facilities	Maintenance of all school district facilities.		Vashon Park District pays Vashon School District \$100,000 per year for use of its facilities.
SEATTLE	Athletic fields, tennis courts, performing arts facilities, community centers, swimming pools.	Maintenance of all park district facilities. Scheduling of Parks-owned facilities in cooperation with school district.	Maintenance of all school district facilities. Scheduling of Schools-owned facilities in cooperation with parks department.	Neither the schools nor the parks will be required to subsidize the other's use of its facilities. The district and the parks will maintain records of costs associated with joint use programming. Any compensation for joint use programming shall occur through balancing the exchange of future benefits without exchanging cash.	No fixed fee.
BELLEVUE	All school district athletic fields	City/Parks schedules school facilities, except stadiums, when not needed for school-related programs	Schools schedule stadiums. Schools provide primary maintenance of school district facilities.	City charges fees to help to defray it's costs of maintenance and scheduling.	No fixed fee.
HIGHLINE	Basically, all recreational facilities belonging to either the city or the school district.	City/Parks schedules school facilities, except stadiums, when not needed for school-related programs	City/Parks schedules school facilities, except stadiums, when not needed for school-related programs	Direct costs are shared. Indirect costs are not. Direct costs are out-of-pocket. Indirects costs are those that cannot be easily assigned to specific activities.	No fixed fee.
TACOMA	City-owned parks	Metro Parks Tacoma manages the city-owned parks. The city will transfer ownership of some city-owned parks to Metro Parks throughout the term of the agreement. Parks provides maintenance services on all city-owned parks that it operates.	Schools are not involved in this agreement.	No provisions for cost sharing noted.	The city (owner) pays to Metro Parks (operator) about \$3 Million per year, that payment being reduced by \$100K each year beginning in 2010.

KIRKLAND	Athletic fields owned by the city of Kirkland and by the Lake Washington School District, except stadiums.	The city acts a scheduling coordinator for fields. Trash and garbage cleanup is the responsibility of the user.	The schools coordinate use of gymnasiums. The schools are resopnsible for the primary maintenance of their facilities. Trash and garbage cleanup is the responsibility of the user.	The City may charge fees to community users of District owned athletic fields and facilities to cover administrative and maintenance costs the District or City may incur. The parties' objective with respect to charging fees is that such fees will cover the actual cost of using the facilities and that fees will not result in a profit for the City. The District and City may charge each other for hourly rental rates, energy surcharge fees, supplies, utilities and other expenses incurred solely by the use of each others' facilities as would be charged by other users and as set forth in District or City policy.	No fixed fee.
