

Dear Fellow Board Members:

We need to develop working relationships with our user groups which means we attend at least some of their meetings and talk with them on frequent occasions. I have tentatively come up with the following which can be discussed at the next board meeting. We can also discuss the definition of this role re my initial definition below.

Bob: Pt Robinson, Jensen Pt, Pool

Lu-Ann: Pool, Fern Cove

Scott: VES, Agren

Karen: Paradise Ridge Park (equestrian), Village Green

Doug: Commons/School campus

Role: Attend at least one meeting a month (where appropriate) or be available to talk with a designated member of the user group monthly. The purpose is to keep abreast of the user group activities, plans, challenges and requests to the board. Help strategize with user groups to achieve goals.

Let me know if you have any comments at this point in time. Thanks! Regards, Karen
