

Vashon Island Resident Survey

1. Purpose

Thank you for agreeing to take this survey. As a resident of Vashon Island, your experience and opinions are an important part of this process and will help us (the Vashon Park District) fashion an action plan and financing strategy that reflects your desires. Please review the survey questions and the corresponding graphics that identify possible projects as well as the financing options.

Contact Elaine Ott, Vashon Park District Executive Director at 206-463-9602 or eott@vashonparks.org if you have any questions about this survey or our community assessment process.

Make sure you enter your name, phone number, and email at the end of this survey if you would like to enter the drawing for a \$250 gift certificate. Vashon Park District employees and families are encouraged to participate but are not eligible to enter the drawing.

2. How often do members of your household use the following King County parks and natural areas on Vashon-Maury Island?

	Never	Yearly	Monthly	Weekly	Daily
Dockton Park	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Dockton Forest & Natural Area	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Maury Island Marine Park	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

3. In general, how would you rate the quantity and quality of the existing inventory of parks and natural areas provided on Vashon-Maury Island by the Vashon Park District and King County combined?

	Lowest	Low	Moderate	High	Highest
Quantity - the number and size of existing park and natural areas to serve the existing population	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Location - the location of existing parks and natural areas in relation to your neighborhood	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality - the physical condition of VPD park furnishings including parking, restrooms, trails, courts, fields, and picnic shelters	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

4. By the year 2036, the Vashon-Maury Island population is expected to increase by another 1,000 people or by 9.3% over the 10,800 people estimated to reside on the Island now. In your opinion, will existing park and recreation facilities currently provided by Vashon Park District be sufficient to provide for this population increase?

	No	Yes	Don't know
Will existing park and recreation facilities be enough to provide for this population increase?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Vashon Park District (VPD) has accumulated a significant list of deferred maintenance projects totaling \$4,843,000 in cost. Some of these projects could be financed with grants, though a significant portion (at least \$1,905,000 or 39%) would require VPD funds. What priority would you assign the following list (not listed in any particular order)?

	Lowest	Low	Moderate	High	Highest
Tramp Harbor Dock - replace the existing dock with a structure that complies with State standards (\$2,200,000 estimated cost with \$2,100,000 from King County Parks, State appropriation, grants, and private funds with VPD paying \$100,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Vashon Pool - a recent engineering assessment of the pool yielded necessary electrical, mechanical, and infrastructure repairs estimated to cost \$2,000,000 (potential funding includes \$800,000 from grants with VPD paying \$1,200,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
VES Fields - acquire additional water rights, erect a perimeter fence, install dugout drains, complete the back parking lot (VPD \$40,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Wingehaven Park - regrade the access road (VPD \$20,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Fern Cove - repair the foundation to prevent leaking (VPD \$16,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ober Park - replace aging playground equipment (VPD \$100,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ober Building - construct a pitched roof to prevent leaking and future water damage, add new gutter system, paint, regrade the parking lot and sidewalks (VPD \$110,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Agren Park - regrade access road, reconstruct and level playing fields, add drainage (VPD \$215,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Inspiration Point - replace retaining wall (VPD paying \$38,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Point Robinson - regrade and gravel access road and parking lots, repair storm drainage, install water system to the lighthouse for fire protection, and install lighthouse patio (VPD \$74,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Lisabeula Park - regrade the field area and parking lot (VPD \$10,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Burton Acres Recreation Center (BRAC Skatepark) - staff the indoor facility to manage hours of operation, mitigate vandalism, and provide supervision (VPD \$30,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. A number of programs and projects have been proposed by community members for Vashon Park District (VPD) action, some possibly financed with grants or volunteer efforts. Note - all cost estimates are preliminary and would be further refined should a project become a priority. What priority would you assign each project on the following wish list (not listed in any particular order)?

	Lowest	Low	Moderate	High	Highest
Park signage - install wayfinding signage on the highway and throughout major roadways to direct people to VPD parks (\$5,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

	Lowest	Low	Moderate	High	Highest
Park kiosks - install kiosks at every park identifying the park's history, trail maps, rules, special events, etc. (\$6,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Park restrooms - construct permanent and/or improved restroom facilities at VPD parks including Ober, VES Fields, Point Robinson, Lisabeula, Agren, Wingehaven, Tramp Harbor Dock, BARC (\$640,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Fisher Pond Americans with Disabilities (ADA) trail - grade, widen, and pave the existing trail to accommodate wheelchair access (\$1,000,000 possibly partially financed with grants).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Pool cover - install an enclosure over the outdoor pool to facilitate year-round use. Cost of installation and annual operations (\$1,000,000 possibly partially financed with grants).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Recreation programs - bring back VPD programs to include classes, camps, and sport registrations including the staff to manage them (\$300,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Dog Park - construct a dog park (\$150,000 possibly paid in grants plus undetermined maintenance costs).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
User fees - eliminate user fees for use of VPD facilities, not to include the pool and lodging facilities (\$52,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Community Center - develop a community center potentially to include an indoor pool, performance, classrooms, meetings, gym, sports court (\$10,000,000 construction possibly financed with grants and \$100,000 VPD annual maintenance).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Campground - develop a tent and RV camping facility with utility hookups and services (\$1,000,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
BARC Climbing Wall - erect a climbing wall (\$20,000 possibly financed with grants).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Public Driving Range - develop a driving range potentially in partnership with community organizations (\$ cost to be determined).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Paradise Ridge Sport Court - refurbish and/or develop a basketball, pickle ball, and paddle ball court (\$ possibly done with adult basketball volunteers).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
VES Fields Lighting - install permanent outdoor lights (\$530,000).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Vashon Island Growers Association (VIGA) Reimagine the Market - develop an expanded, permanent market structure at Village Green (cost and VPD cost contribution to be determine or financed by VIGA).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

7. Vashon Park District (VPD) owns a number of properties that have been deeded over or acquired that have been determined to be unsuitable for park use or too small to be effectively utilized. What priority would you give to disposing of surplus properties (after a public review process) and using the monies to finance other VPD projects?

	Lowest	Low	Moderate	High	Highest
Dispose of surplus properties	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

8. How often do members of your household participate in recreation programs sponsored by the following organizations?

	Never	Yearly	Monthly	Weekly	Daily
Vashon Park District (provides swimming lessons only)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Vashon School District	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Youth or adult athletic league	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Religious affiliated recreation program	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Private club or organization recreation program	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please specify)

9. Vashon Park District stopped providing active recreational programming in 2012 (other than swimming lessons and facilitating sailing camp only). If Vashon Park District were to begin offering recreation programs again, what groups should the programs be offered for?

	Lowest	Low	Moderate	High	Highest
Toddlers and preschoolers	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Elementary school age students	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Adults 65+ years old	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Families	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Disabled (school age)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Disabled (adult)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

10. If Vashon Park District were to begin offering recreation programs again, what do you think should be offered that your household members would use?

	Lowest	Low	Moderate	High	Highest
Out-of-school/childcare	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please specify)

11. If Vashon Park District were to begin offering recreation programs again, what percent of the total costs do you think VPD should recover from the program user? Keep in mind that anything under 100% would have to be paid from the annual VPD property tax levy?

	0%	25%	50%	75%	100%
Out-of-school/chlldcare	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

12. As a Park & Recreation District, VPD may impose a property tax levy up to \$0.60 per \$1,000 assessed property value for a duration of 6 years if approved by 60% of VPD voters.

VPD's levy revenue has averaged between \$999,920 and \$1,123,164 each year from 2012 to 2015 or about \$0.50 per \$1,000. VPD's annual expenses for operations and maintenance and a limited amount of capital projects or extraordinary maintenance averaged between \$1,029,761 to \$1,558,485 year year from 2012 to 2015. The additional revenue necessary to finance VPD's annual expenses has been generated by facility rentals, user fees, donations, and grants.

What priority would you give to the following VPD property tax levy options when VPD asks voters to reauthorize the levy?

	Lowest	Low	Moderate	High	Highest
Ask VPD voters to reauthorize the annual property tax levy at the same existing rate of \$0.50 per \$1,000 assessed value?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ask VPD voters to reauthorize the annual property tax levy at the maximum rate of \$0.60 per \$1,000 assessed value to begin to finance deferred maintenance and high priority wish list projects?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

13. Even if VPD voters authorized the 6-year property tax levy at the maximum rate of \$0.60 per \$1,000 assessed value, there would not be sufficient funds to finance the list of deferred maintenance identified in the previous question (\$4,843,000 in total with at least \$1,905,000 or 39% in VPD funds) and the wish list of projects identified in the previous question. Additional funds will be necessary to finance some or all of these identified needs and wants.

As a Park & Recreation District, VPD is authorized to issue general obligation bonds for capital purposes up to 1.25% of the total assessed value of the property. Doing so would generate \$1,217,545, which, though substantial, is not enough to finance VPD's estimated share of all deferred maintenance and community proposed projects.

Given this fact, how would you rate the following possible bond measures for financing high priority deferred maintenance and community proposed projects?

	Lowest	Low	Moderate	High	Highest
Do not submit a bond request, but rather eliminate programs and mothball parks if necessary to match revenues currently or potentially authorized in the 6-year VPD property tax levy of up to \$0.60 per \$1,000 property value?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Submit a bond request for voter approval to only fund the highest priority deferred maintenance and wish list projects of an amount less than the maximum possible 1.25% of total assessed Island property value authorization?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Submit a bond request for voter approval to fund as much of the highest priority deferred maintenance and wish list projects as the maximum 1.25% authorization will allow?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

14. If a general obligation bond were to be placed on the ballot to finance high priority deferred maintenance and community proposed projects, how much would your household be willing to PAY PER YEAR?

	\$0	\$25	\$50	\$75	\$100	\$125	\$150	\$151+
Annual amount?	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

15. METROPOLITAN PARK DISTRICTS (MPD) – compared with VPD (a Park & Recreation District), MPDs can levy up to \$0.75 (or \$0.15 more than VPD can currently levy per \$1,000 assessed property value on a permanent rather than 6-year incremental basis subject to voter reauthorization. Too, a MPD can issue general obligation bonds up to 2.5% (VPD can currently issue 1.25%) of the Island’s total assessed value. A MPD would provide a more stable and higher continuing property tax levy option and a greater bonding capacity to finance high priority deferred maintenance and community desired projects.

As an option, a referendum could be placed on the ballot for voter approval (51% needed for approval) authorizing the transition of Vashon Park District to a Metropolitan Park District. How would you rate this option?

<i>Remain VPD</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
<i>Transition from VPD to VMPD</i>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

16. LEASE-TO-OWN (LTO) – rather than use bonds with which to finance major capital improvement projects, Vashon Park District (VPD) may enter into agreements with private or nonprofit agents who may acquire, construct, or retrofit public facilities that they lease to VPD under a lease-to-own (LTO) agreement. The advantages of a LTO agreement are that the payment terms may be more flexible than can be configured under a general obligation bond and may possibly include longer repayment schedules or varied (or even balloon) payment terms. In either case, the debt service payments will need to be paid from VPD levy monies.

How would you rate the desirability of this approach to financing some of VPD’s highest priority and highest cost projects?

	<i>Lowest</i>	<i>Low</i>	<i>Moderate</i>	<i>High</i>	<i>Highest</i>
Using Lease-to-Own	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Using General Obligation Bonds	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
