Dispute Resolution/Appeal Process**

Except as otherwise provided in the license, any dispute concerning a question of fact arising under the license which is not disposed of by agreement shall be decided by the Commander, SILC, Product Line Division, Portfolio Management Branch, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the LICENSEE. The decision of the Commander, SILC, Product Line Division, Portfolio Management Branch, shall be final and conclusive unless, with thirty (30) days from the date of receipt of such copy, the LICENSEE mails or otherwise furnishes to the Commander, SILC, Product Line Division, a written appeal. The decision of the Commander, SILC, Product Line Division, or his authorized representative for the determination of such appeals shall be final and conclusive. This provision shall not be pleaded in any suit involving a question of fact arising under the license as limiting judicial review of any such decision to cases where fraud by such official or his representative or board is alleged. Provided, however, that such decision shall be final and conclusive unless the same is fraudulent or capricious or arbitrary or so grossly erroneous as necessarily to imply bad faith or is not supported by substantial evidence. In connection with any appeal proceeding under this clause, the LICENSEE shall proceed diligently with the performance of the license and in accordance with the decision of the GOVERNMENT Commander, SILC, Product Line Division. This "Disputes" clause does not preclude consideration of question of law in connection with decisions provided for in the above. Nothing in this license, however, shall be construed as making final the decision of any administration official, representative or board on questions of law.
