- If you are NOT **FULLY** vaccinated, please follow all CDC guidelines regarding travel (If you travel out of state, quarantine for 10 days). Those that are fully vaccinated do not currently need to quarantine.
- During inclement weather, the pool cannot operate if the lifeguards cannot clearly see the bottom of the pool, and we may have to temporarily close. If it appears that the entire day will be stormy, we may preemptively close.

- In case of smoky weather, the pool will close when the AQI reaches 151 (unhealthy).
- For all ‘Open Swims’, if the outside temperature is below 60 degrees (using the Vashon Fire Station on WeatherBug as the standard), we will not open for that session. Thank you for understanding.
