Good evening,

I am writing to express my interest in the open position on the Vashon Parks District Board. My husband and I bought our home here on the island in March of last year and spend much of our free time in the parks. Parks are something that are very near to our hearts and I was excited to see this opportunity to serve my community while also working to support something I love: parks.

Please let me know what steps I should take to be considered for this opening. I have attached my resume for your review and consideration. I look forward to hearing from you.

All the best,

Josh
