

Public Interactive Mapping

The Travis County Water Control and Improvement District #18 (TCWCID18) provides an on-line mapping application that provides citizens with access to geographic data and mapping capabilities. The mapping application contains a wealth of information regarding the TCWCID18.

We recommend looking at the [GIS User Manual](#) prior to launching a map. The manual is easy to follow and will assist you in creating a map that suits your individual purpose.

Read the Disclaimer and Launch the Map

TCWCID18 Public Interactive Mapping System Disclaimer

The GIS applications accessed through this web page provide a visual display of data for your convenience and are subject to these Terms of Use.

The GIS applications, text, maps, data and any other information associated with those applications text, maps, and data are collectively referred to as "Applications" in this document. The TCWCID18 has only attempted to assure the accuracy of the Applications for its internal uses and for no other purposes. The TCWCID18 has not developed these Applications as a commercial product. Consequently, TCWCID18 makes no warranty, representation or guaranty as to the content, sequence, accuracy, timeliness or completeness of all or any part of the Applications. The user of these Applications should not rely on the data provided herein for any reason unless and until the user independently verifies the accuracy of any such data to the user's personal satisfaction. TCWCID18 explicitly disclaims any representations and warranties, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose. TCWCID18 shall assume no liability for any errors, omissions, LACK OF TIMELINESS or inaccuracies in the APPLICATIONS provided regardless of how caused. **TCWCID18 shall assume no liability for any decisions made or actions taken or not taken by the user of the Applications in reliance upon any information or data furnished hereunder.**

The use of these Applications indicates your unconditional

acceptance of these Terms of Use and your unconditional acceptance of all risks associated with the use of the Applications. All or portions of the information may be protected by License, Copyright, Patent and/or Trademark property rights. All rights are reserved to the owners of the respective rights.

By logging into the site, you acknowledge and accept the limitations presented herein, including the fact that the data are dynamic, and updated on a periodic basis. If you do not accept these limitations, select the decline option and the application will close.
