

PASTOR'S NOTE: Dearly beloved faithful of St. Mary, Our Lady of Lourdes, and Holy Rosary Parishes—I want you to know I am praying for all of you in my daily Masses.

Above, is a photo taken around sunset of St. Peter's Square, Vatican City in 2017. The ancient Obelisk in the center came from Egypt, brought to Rome before its placement here in 1586. Our Sabbatical photo took place here. As we pray, may God's presence over the world heal many a person and need.

In God's care dear beloved,

Fr. Melvin Dornak  
Pastor
