OUR LADY OF THE GULF SCHOOL ADVISORY COUNCIL POLICY MANUAL

Policy 3500.OLG.2

Topic: Parishioner/Non-Parishioner Tuition

Criteria:

Our Lady of the Gulf Catholic School maintains a “Parishioner” and a “Non-Parishioner” tuition rate schedule.

To qualify for the Parishioner rate, a family must be registered parishioners of Our Lady of the Gulf parish or one of the associated mission churches and have contributed a minimum \$300 between January 1st and June 1st of the year prior to the fall semester of the new school year.

Topic: Tuition Payment Plan

Criteria:

Our Lady of the Gulf Catholic School tracks and receives tuition payments through the FACTS program.

- Tuition is tracked by family via the oldest sibling attending the school.
- Full tuition is due regardless of daily class attendance.
- Each new family should register for FACTS when they turn in their registration fee. Current families do not need to re-register with FACTS each year even if an additional student (e.g. younger sibling) enrolls in the school.
- Families will have options for paying tuition including 1-time payment, or 10 or 12 month paying options. Families are also able to choose preferred payment dates. Any changes to the payment frequency must be made through the school office.
- Parents may select automatic bank payments, credit card payment (which include a service fee charged by FACTS) and online payment. Payment account changes can be made as needed through the FACTS program.
- A late fee is charged automatically by FACTS when there are insufficient funds in a designated payment account.

Topic: Tuition Payment Delinquency Policy

Criteria:

Whereas approximately 30% of the school's income is based upon tuition, and;

Whereas the school is dependent on a regular cash flow for the timely liquidation of its debts and in order to maintain its currently superior creditworthiness rating, and;

Whereas parents are fully informed of their tuition payment obligations prior to the registration of a student, and;

Whereas failure to pay tuition shifts the burden of financial obligation to other parents and the Parish in general, and;

Whereas this School Advisory Council is fully cognizant of its financial responsibility toward the School, the Parish, and the Diocese;

Be it resolved that Our Lady of the Gulf School Advisory Council adopts the following Tuition Payment Delinquency Policy:

1. Parents who expect or are experiencing financial difficulties in meeting tuition payment obligations should contact the school office immediately to discuss tuition payment plans.
2. The School Advisory Council advises the principal, in consultation with the pastor, to adjust tuition payment obligations on a per case basis via the Student Tuition Assistance Program.
3. Other school expenses such as lunch, fieldtrip fees, etc. may be paid via the FACTS program. The current School Student/Parent Handbook will provide details on how these payments are handled either via the school office or through the FACTS program.
4. Students with tuition or lunch accounts over one month past due will not be allowed to participate in any field trips and could be suspended until full payment has been received.

Topic: Tuition Assistance Policy

Criteria:

This policy is intended to provide the Tuition Assistance Committee and those seeking tuition assistance clarity as to how tuition assistance is awarded. The pastor has the authority to override any recommendations that the Tuition Assistance Committee makes based on this policy.

The tuition assistance program is intended to help out families in true financial need but is not intended to completely eliminate the financial obligations of the family.

The policy addresses the tuition assistance given to families that for various and unique reasons may not otherwise be able to attend Catholic School. Tuition assistance is a gift from the Parish at-large, extending an opportunity to attend Catholic School to those families who seek it.

Because it is seen as a way to evangelize God's Word in our community, tuition assistance is offered to Parish families and also other families, Christian and non-Christian, seeking the full benefits of a Catholic education.

Families with children in grades Kindergarten through 8th grade may apply for tuition assistance. Because the OLG PreK4 program is extremely competitive in its rates (due to parish subsidy) compared to other private PreK4 programs, tuition assistance will not be offered to PreK4 families unless older siblings are currently enrolled in, or have graduated from, Our Lady of the Gulf Catholic School. This is to allow those families that are seeking a long-term relationship with the school to be able to enroll in PreK4 and not be displaced by a family that is seeking the lowest rates for PreK4 that tuition assistance could provide.

Application dates for tuition assistance will be set each year during the calendar and budgeting process. Tuition assistance is reviewed and approved by the principal, pastor and at least one School Advisory Council member.

Tuition assistance is given based on consideration of the following:

- 1) The **Percent Debt Ranking** for the household. This is calculated utilizing:
 - a. Total Household Income which must be documented through tax return documents and additional current pay stubs if needed.
 - b. Total number of adults and children living in the household which is utilized to determine the Federal Poverty Level (FPL) value for the household.Percent Debt Ranking is calculated by dividing the FPL value by the total household income.
- 2) **Extenuating circumstances** that are provided by the applicant in writing to the tuition assistance review board.

OUR LADY OF THE GULF SCHOOL ADVISORY COUNCIL POLICY MANUAL

The actual Tuition Assistance discount awarded is calculated utilizing the following guidelines (as budget funding allows):

	FPL/Net Family Income	TA Given
Debt Ranking	>125%	60%
	>105%	50%
	>85%	40%
	>65%	30%
	>45%	20%
	>25%	10%
Extenuating Circumstances	High	30%
	Medium	20%
	Low	10%
	None	0

FPL = Federal Poverty Level information, as of April each year. A chart of the FPL currently being utilized by the School Tuition Assistance Committee can be located at the school website at <https://olginer.org/school-advisory-council> .

Except in the most extreme cases of need, applicants are expected to pay at least 10% of the stated annual tuition.

The amount of tuition assistance that can be given annually overall is recommended by the School Advisory Council Finance Committee based on budgetary constraints, and then must be approved by the School Advisory Council. Tuition Assistance may be denied due to lack of funds in the budget.

Topic: In-School Volunteer Guidelines

Criteria:

The School Advisory Council concurs completely with the Diocese of Victoria's Safe Environment policies which include background checks and training of all school employees and volunteers.

In addition to the diocesan policies, we require all volunteers to be subject to the following:

Topic: School Attendance

Criteria:

A student shall be given credit for a class only if the student has been in attendance 90% of the days the class is offered. The parent(s) of a child with **10% or more absences** in a semester shall be notified in writing and must meet with the School Attendance Committee.

1. The School Attendance Committee is made up of three school faculty members not including the student's homeroom teacher.
2. The Attendance Committee's job is to review the individual student's academic situation with input from the student's teachers and parents and recommend what steps are needed to help a student catch-up after high absenteeism. The Principal must then determine if a variance to this school's attendance policy should and can be made for the student's individual case.
3. The action plan may include items like tutorials, summer school, etc. These actions may come at a financial cost to the parents. It may also require additional parent involvement to ensure all missed work is completed, etc.
4. The parent's participation in the Attendance Committee procedure is mandatory. The student's participation is determined by the committee and depends upon the age and maturity of the student.

When a student's absence for **personal illness exceeds 3 (three) days**, a **statement from a physician** or health clinic verifying the student's condition and the student's ability to return to school is required.

Students are considered absent for the morning session if they leave before or arrive after **10:00 A.M.** Students who leave before or arrive after **1:30 P.M.** are considered absent for the afternoon session.

Topic: Withdrawal of a Student

Criteria:

If a student withdraws from Our Lady of the Gulf Catholic School during a school year to attend school at another local school (e.g. transfers to an ISD school), the student will not be allowed to return to OLG Catholic School during the same school year. The student may apply to the school to be considered for the following school year and will be considered along with all other new students. If the student moves out of town and then back into town, the student may be reenrolled at OLG Catholic School immediately if space is available and the student meets all the admissions requirements set for a new student.

When a parent informs the school that their child is withdrawing from OLG Catholic School, the diocesan procedures for transferring a student will be followed. In addition to this policy, the student will be considered removed from the school at the moment of notification (verbal or written). The student may not remain in school after the school is informed that the child will be transferring to another local school. The exception to this policy is when a student is moving out of town and must inform the school well in advance of the move, or the student is being moved to a public school due to a special academic need as determined by the local ISD's special service department (e.g. to meet the requirements of an individual educational program). This is to avoid disruption to the normal school day for the other students in the classroom.

If a student(s) of a family are withdrawn before the end of the year, the family will also be charged the FACTS family service fee that the school pays annually for each family to participate in FACTS as this fee is non-refundable.

Topic: Questioning of Students by Law Enforcement Officers

Criteria:

1. The Principal shall verify and record the identity of the officer or other authority and request an explanation of the need to question or interview the student at school.
2. The Principal ordinarily shall take reasonable efforts to notify the student's parents or other person having lawful control of the student. If the interviewer raises what the Principal considers to be a valid objection to the notification, parents will not be notified.
3. The Principal or a designee ordinarily shall be present during the questioning or interview. If the interviewer raises what the Principal considers to be a valid objection to a third party's presence, the interview shall be conducted without that person's presence.

Topic: Discipline Behavior

Criteria:

Discipline within each classroom conforms to the general disciplinary expectations of Our Lady of the Gulf Catholic School, and each teacher is responsible for its clear explanation and implementation in the classroom.

If a disciplinary problem arises which cannot be resolved within the classroom, the student may be given detention.

- Detentions are served during school or after school but should not interfere with any core classes if possible.
- Students who miss class work while serving a detention are required to make-up the work missed. If the missed work is not made-up, the student will receive a grade of "0" for all work missed.
- Students receiving more than three (3) detentions during any one (1) nine (9) week grading period will automatically receive a conduct grade of "U" for that nine week grading period.
- Upon receipt of the third (3rd) detention during any one (1) nine (9) week grading period, a parent conference will be arranged between the Teacher/Principal, the parents, and the student.
- Persistence in unacceptable behavior will result, progressively, in a one (1) day out-of-school suspension, to be followed by a three (3) day out-of-school suspension if necessary and at the discretion of the Principal, ultimately expulsion.

There is no corporal punishment administered at Our Lady of the Gulf Catholic School. In the case of a severe problem with a student, a conference will be arranged with the parents/guardians, the teacher, the Principal and, if necessary, the Pastor. This may result in either an "in-school" or "out of school" suspension or (as a last resort) expulsion.

In matters of discipline, or in the case of any unsatisfactory work, it is the policy of the Pastor, Principal, Faculty and Staff to work in collaboration with students and parents so that problems may be resolved before becoming serious.

Topic: Student Uniform Requirements

Criteria:

Uniforms will be worn by students at Our Lady of the Gulf Catholic School to promote the community atmosphere of the school and focus on learning.

All uniforms shall be purchased by the uniform supplier determined by the Principal. A supplier is selected to ensure uniformity and quality of the items worn by students.

There will be two types of uniforms worn at school as follows:

1. Standard Uniform
2. Dress Uniform

The principal designates the wearing of dress or standard uniforms. The Principal may also designate when school t-shirts may be worn and free-dress days for students.

The Parent /Student handbook contains requirements pertaining to the components of the standard and dress uniforms along with allowable jewelry, make-up, hair, jackets, and sweaters, etc. so that a clean, uniform appearance is maintained throughout the school by all students.

Topic: Classroom Size

Criteria:

The maximum number of students per classroom for grades pre-kindergarten 4 year olds, kindergarten and first will be 18 students. Classroom aides will be assigned as needed (per the determination of the principal) to ensure instructional quality and that all TCCED guidelines are met. After the maximum number of 18 students for these grades it met, a waiting list will be started. See policy 5110.OLG for details on the enrollment process.

The maximum number of students per classroom for grades 2nd through 8th is 16 students. After the maximum number of 16 students for these grades it met, a waiting list will be started. An exception to this maximum number of 16 will be allowed if the incoming class had up to 18 students enrolled the previous year and all these students re-enroll for the next year. No new students will be added to any 2nd -8th grade classes if the number is 16 or higher. A waiting list will be established for students enrolling after this limit has been met by a classroom. See policy 5110.OLG for details on the enrollment process.

The school principal may exceed the above limits only after a consultation with the School Advisory Council if there are extenuating circumstances.
