

# STORY CUBE

Objective: To create a 3D cube that represents parts of the story.

Materials: FULL size poster board, ruler, scissor, pencil, markers, color pencils, glue

Steps:

1. Using the illustration on the back of this page, draw the pattern onto your poster board. Cut out your cube.

2. Draw and write on each square as follows:

Panel 1: Include title, author, and illustrator (if there is one.) Write "Project By: your name."

**Hand-draw** a picture that represents the book. Be sure to color the picture & background.

Panel 2: **Illustrate** the protagonist (main character) from the story. Write the name of the character. Be sure to color the picture & background.

Panel 3: **Illustrate** the antagonist (protagonist's enemy) from the story. This may be one person or several people, nature, or it could be the protagonist's inner-self. Write the name. Be sure to color the picture & background.

Panel 4: **Illustrate** one of the settings found in the book. Label the setting and give a 2-sentence description of why this location is important in the story. Be sure to color the picture & background.

Panel 5: **Illustrate** one important event or scene in the story. In 3 complete sentences, briefly describe what is happening in the scene. Be sure to color the picture & background.

Panel 6: **Illustrate** one more important event or scene in the story. In 3 complete sentences, briefly describe what is happening in the scene. Be sure to color the picture & background.

3. Neatly fold the cube on the lines as shown on the illustration. Use a ruler to create a clean. Straight fold.

4. Neatly glue the panels together using the tabs to form the cube. Tape can be used on the inside to reinforce.

**\*\*All pictures should be colored.**

**\*\*Don't forget that the background should be colored as well.**

**Take your time and put some effort into making it neat and attractive. This is a test grade!**
