Lunch and Sandwich Making  
w/ Our Little Bagged Lunch Mission

SEP. 20 | MONDAYS  
OCT. 25 | 6:30-8:30PM  
NOV. 20 | BURKE HALL

We are continuing to make lunches for those marginalized and in need, and we need your help to do it! Each month, we will be aiming to make at least 300 lunches.

Some months, our lunches will be themed, or aimed at the goal of providing someone who needs it with a meal closer to our hearts - stay tuned for updated shopping lists!

These lunches are meant to be healthy and nutritious for those that eat them, and we have lots of great suggestions of needed-foods that make it easy to donate. Sign up at the link below to donate your time, money, or lunch-making supplies!
