## POPE FRANCIS:

When a man and woman celebrate the Sacrament of Matrimony, God, as it were, "is mirrored" in them; he impresses in them his own features and the indelible character of his love. Marriage is the icon of God's love for us. Indeed, God is communion too: the three Persons of the Father, the Son, and the Holy Spirit live eternally in perfect unity. And this is precisely the mystery of matrimony: God makes of the two spouses one single life. The Bible uses a powerful expression and says "one flesh," so intimate is the union between man and woman in marriage. And this is precisely the mystery of marriage; the love of God which is reflected in the couple that decides to live together. Therefore a man leaves his home, the home of his parents, and goes to live with his wife and unites himself so strongly to her that the two become – the Bible says – one flesh.

**"Go before me with your grace; follow me with your mercy. Take from me whatever is not from you, for I hate whatever is from me; and still I hope in you"...**Saint Anselm
