FROM THE PASTOR'S DESK

October is **Respect Life Month** and this Sunday in particular is **Respect Life Sunday**. It just so happens, that this Sunday is also the feast of Our Lady of the Rosary. There is no better way to understand how to respect the dignity of each human life at all stages than to meditate upon the mysteries of the Rosary. Through this beautiful devotion, Mary shows us the life of Jesus, and all that He went through so that we may obtain new life through Him.

I truly love the Rosary. I pray it every day. I didn't make that commitment until about a year after I was a priest. I realized one day when I was driving between parishes just how much help I was going to need in order to live my vocation to the priesthood faithfully and joyfully for many years. **I have come to love the Rosary by praying the Rosary.** If you have ever had that thought, "I should pray more..." Let me rephrase that, I'm sure we've all had the thought "I should pray more" many times in our lives. That is a perfect invitation to pray the Rosary.

Maybe many of you make a long commute to Columbus for work each day. Can you dedicate the first 20 minutes of your drive in the morning to turn off the radio, and pray the Rosary? That's all it would take. I invite you to try it this month, and start with just a decade of the Rosary if you need to. You might find more peace in your drive, more patience at work, and a greater appreciation for your family whom you're making that sacrifice for. Our Lady loves you, and wants to be with you throughout your day.

As we reflect on the lives of Jesus and Mary through the Rosary, how are we being invited to renew our commitment to pro-life issues that are present in our society? Respect for the unborn, for the elderly, even for those who commit terrible crimes and are facing the death penalty deserve our Christian respect. It's not easy being a Christian, but that's precisely what our society needs from us: fidelity to the respect for life. Let us first take up our spiritual weapon of the Rosary so that we are assured that we are not facing these issues alone, but with the power of God, our Blessed Mother and all the saints.

In Christ Jesus,
Fr. Hartge

PUBLIC SQUARE ROSARY CRUSADE

The world is at a historic crossroad. God is more offended than ever as people ignore Our Lady's maternal request to "stop offending God." Yes,

we must listen to Our Lady's request and stop sinning if we hope to enjoy God's blessings and to avert His wrath. He will hear us, if we pray through the intercession of His Blessed Mother. That's why we're doing the 2018 Public Square Rosary Crusade. In The Secret of the Rosary, St. Louis de Montfort said: "Public prayer is far more powerful than private prayer to appease the anger of God and call down His mercy, and Holy Mother Church, guided by the Holy Ghost, has always advocated public prayer in times of public tragedy and suffering."

The Holy Rosary will be said at the K of C in New Lexington on October 13th at noon. For more information, contact Bob or Adelaide Gable at 740-342-2884. All are welcome!
