FROM THE PASTOR'S DESK

I am very happy to be able to announce that **we've been awarded a \$2,500.00 grant from the Catholic Foundation for Adult Faith Formation materials!** This means that we can purchase some high quality study programs, to be able to enjoy as a consortium, as we deepen our knowledge and love for our faith. I have some series in mind, and we'll likely start one in January. The reason behind that is that by the time a program is chosen and promoted in the parishes, it will be closer to Thanksgiving and then we're into Advent which is particularly busy for parishes. Many have asked about this, and I wanted to let you know that this is in the works. I am grateful to the Catholic Foundation, and I am eager to offer this much-needed piece to help enrich our faith and grow in knowledge and love of the Lord Jesus.

Secondarily, I want to thank all of you for the sacrifices you have made as we continue to try to increase our offertory at all four parishes. It's not easy, but I know many of you have seen the need and are digging deeply to respond. That does not go unnoticed by me or by the Lord. Thank you! I am grateful to those families and individuals who have filled out an **offertory pledge card**. That helps me to be able to gauge our financial future. The ones that have been turned in have indicated an increase, which again, I sincerely appreciate. Still, the pledge cards that have been returned are few in number. Please consider filling one out if you haven't already. They will be cleared out of the pews by Thanksgiving.

Finally, our usual Wednesday Adoration time at St. Rose, from 5:15-6:15 p.m., will be dedicated as a **Holy Hour for Vocations**. Many churches across the diocese will be praying for vocations in a special way on Wednesday, November 7. Please consider spending some time praying with our Eucharistic Lord for an increase in vocations to Marriage, Holy Orders and religious life.

In Christ Jesus,
Fr. Hartge

THANK YOU: To Judge Dean Wilson and the community service workers who did such a fantastic job cleaning at St. Bernard before Confirmation. We are most grateful!

PERRY-MORGAN THINK TANK ON POVERTY: What is keeping us in poverty? Join the conversation with this new group on Thursday, November 8th. The meeting will be held at the Perry Behavioral Health Activities Center, 112 S. Main Street, New Lexington. All are welcome to a free dinner at 5:30 p.m., with the meeting starting at 6:00 p.m. Child care and transportation are available. For more information, contact Lesha at 740-334-2152.

SUNDAY, NOVEMBER 11TH: Knights of Columbus Veterans Breakfast, 8:00 a.m.-noon at the Knights Social Hall. Everyone is welcome!

ST. VINCENT DE PAUL THANKSGIVING DINNER PROJECT: Once again, members of the Perry County St. Vincent de Paul Society will distribute Thanksgiving dinners to needy families in the area. As in the past, the families are selected by Perry County Children's Services, Southern Local Schools and our center in Corning. Instead of attaching a list of items needed to a bag, we will have the lists in the back of each church to pick up as you leave. This way, the list is readily available to take along when you shop for groceries. As before, please bring your food collected in a bag or box and circle or cross off the items you purchased. And as before, your donations need to feed a family of four. We will collect the food on the weekend of November 17-18. Help will be needed on Sunday and Monday, November 18 and 19 of that week to sort items and prepare the bags for distribution on Monday. If you would be able to help for a few hours any of those days, please call Cathy Horn at 740-394-1523. St. Vincent de Paul will supply the turkeys for the dinners. If you are unable to assemble the bag of groceries and would like to help with this project, monetary donations or store gift cards are always appreciated to help purchase the turkeys and any other food items needed. Again, members of St. Vincent de Paul thank you for continued generosity to the poor among us in Perry County. This project is very important for our community. Providing a Thanksgiving Day meal for those less fortunate has been a tradition for many years and those we serve are truly grateful for all that you give. We could not do this without your support. God bless you and thank you for your continued generosity!

THE CATHOLIC FOUNDATION: 31st Sunday in Ordinary Time: "And to love him with all your heart, with all your understanding, with all your strength, and to love your neighbor as yourself" is worth more than all the burnt offerings and sacrifices." (Mark 12:33) Of all the gifts that God gives us, the one He wants the most is our heart. He wants us to share out of love, not out of obligation. Using our talent in parish ministry and contributing money to support our parish mission is important, but it's more important to spend time in prayer with God daily and discern how He is calling us to be generous with *all* our gifts. Not just the visible ones, but the invisible ones like love, mercy, and forgiveness. Learn how to share your gifts and Catholic legacy by supporting your parish and contact the Catholic Foundation. REFLECTIONS ON CHOOSING POLITICAL CANDIDATES

WALKING WITH GOD

We take up the task of serving the common good with joy and hope, confident that God, who "so loved the world that he gave his only Son," walks with us and strengthens us on the way (Jn 3:16). God is love, and he desires that we help to build a "civilization of love"—one in which all human beings have the freedom and opportunity to experience the love of God and live out that love by making a free gift of themselves to one another." [Introduction, Forming Consciences for Faithful Citizenship](#)

RESPECTFUL, THOUGHTFUL AND CIVIL DIALOGUE

For some years now, many of us in the Catholic and other faith communities have been lamenting the disintegration of civility and substance from one major national election to the next.... I invite everyone to take the pledge to promote civility, clarity and compassion this election season. You can do so by going to www.CivilizeIt.us, where you will also find simple tips to create respectful dialogue." *Most Rev. Dennis Schnurr, Archbishop of Cincinnati, 2017*

PRUDENTIAL DISCERNMENT

The Church's teaching is clear that a good end does not justify an immoral means. As we all seek to advance the common good—by defending the inviolable sanctity of human life from the moment of conception until natural death, by promoting religious freedom, by defending marriage, by feeding the hungry and housing the homeless, by welcoming the immigrant and protecting the environment—it is important to recognize that not all possible courses of action are morally acceptable. We have a responsibility to discern carefully which public policies are morally sound. Catholics may choose different ways to respond to compelling social problems, but we cannot differ on our moral obligation to help build a more just and peaceful world through morally acceptable means, so that the weak and vulnerable are protected and human rights and dignity are defended." #[20 Forming Consciences for Faithful Citizenship](#)

What is the candidate's commitment to protect all human life, from conception to natural death?

What is the candidate's commitment to addressing threats to marriage and family, as understood by the Church, as well as other serious threats to human life and dignity such as racism and other unjust discrimination, the use of the death penalty, resorting to unjust war, the use of torture, war crimes, the failure to respond to those who are suffering from hunger or a lack of health care, or an unjust immigration policy?

How does the candidate measure up in both words and actions with the totality of Catholic Social Teaching?

What would be morally grave reasons to support and/or oppose a candidate? (Please refer to the U.S. Bishops document *Forming Consciences for Faithful Citizenship*, [paragraphs 34 through 37](#)).

What is my assessment of the candidate's personal integrity, governing philosophy, performance and ability to influence a given issue?

Has the candidate demonstrated sufficient competency to hold such an elected position?

Examining party platforms in light of Catholic teaching may be a helpful consideration, especially when a voter faces a dilemma in a voting choice.

Ohio Ballot Issue 1 November 2018

There is one statewide issue on the November 6, 2018 ballot. **Issue 1** will amend Ohio's Constitution to reduce penalties

for crimes of obtaining, possessing, and using illegal drugs, and put savings obtained from these measures into rehabilitation and crime victim programs.

The Catholic Conference of Ohio has not taken a position on this issue. We offer these reflections as an aid to one's discernment process.

Prudential Discernment

This issue requires prudential discernment. *"...Catholics may choose different ways to respond to compelling social problems, but we cannot differ on our moral obligation to help build a more just and peaceful world through morally acceptable means, so that the weak and vulnerable are protected and human rights and dignity are defended."*

Forming Consciences for Faithful Citizenship #20, USCCB, 2015

State Issue 1

To Reduce Penalties for Crimes of Obtaining, Possessing, and Using Illegal Drugs

This Constitutional Amendment will:

- Require sentence reductions of incarcerated individuals, except individuals incarcerated for murder, rape, or child molestation, by up to 25% if the individual participates in rehabilitative, work, or educational programming.
- Mandate that criminal offenses of obtaining, possessing, or using any drug such as fentanyl, heroin, methamphetamine, cocaine, LSD, and other controlled substances cannot be classified as a felony, but only a misdemeanor.
- Prohibit jail time as a sentence for obtaining, possessing, or using such drugs until an individual's third offense within 24 months.
- Allow an individual convicted of obtaining, possessing, or using any such drug prior to the effective date of the amendment to ask a court to reduce the conviction to a misdemeanor, regardless of whether the individual has completed the sentence.

- Require any available funding, based on projected savings, to be applied to state-administered rehabilitation programs and crime victim funds.
- Require a graduated series of responses, such as community service, drug treatment, or jail time, for minor, non-criminal probation violations.

Catholic Conference of Ohio Reflections

We affirm the good intentions behind Issue 1. Our dedicated prison ministers, social services workers and the formerly incarcerated cry out for new approaches and additional funds to combat the drug crisis. Too many of our current approaches are not fully restoring and rehabilitating people. It is indeed critical to be suggesting new alternatives.

Catholic social teaching supports many of the goals of Issue 1 such as: increased programming for rehabilitation, substance abuse treatment, community reentry, and crime victim support. The question before us involves a prudential determination as to whether Issue 1 is appropriately conceived to achieve these and its other stated goals. Are the provisions the right prescription for the problem?

We encourage your careful and prayerful discernment of the pros and cons of this issue. Our Conference website, listed below, offers links to such informational resources.

Regardless of the outcome of this issue, we encourage continued advocacy in addressing these important aspects of restorative justice.

Reflection Questions

1. Will passage of Issue 1 promote the value and dignity of the human person and advance the common good of persons in the state, especially the poor and vulnerable?
2. Are the provisions in Issue 1 well-conceived, implementable, and enforceable?
3. Will passage of Issue 1 improve public safety while providing additional funds for needed treatment services?
4. Will the provisions in Issue 1 result in changes that will help, or hinder, in the fight to address drug abuse?
5. Does Issue 1 belong in Ohio's Constitution, or is this an issue better addressed by the Ohio Legislature? What is the likelihood that the legislature will enact similar legislation?
