

Come To The Table!

Our preparation program for the Sacraments of Reconciliation and Eucharist is done in two parts: This year the classes will be via zoom on Saturday mornings.

Part 1: Preparation for First Reconciliation

As your child enters the age of reason, we help him/her unfold the moral and faith responsibilities we have as Christians. Then, as we journey together, we guide them in their walk of faith.

Part 2: Preparation for First Eucharist

We build upon what your child has learned in Part 1 of the preparation and help him/her continue to unfold his/her faith walk as we journey to the table of the Lord. We explore what it means to be a part of a faith community as a whole.
