

## **Covid-19 Liturgical Guidelines Update for Corpus Christi May 24, 2021**

On Wednesday, May 19<sup>th</sup>, Archbishop Vigneron issued a letter to the faithful of the Archdiocese with updated information regarding Covid-19 safety protocols. In this communication, the Archbishop entrusted to pastors a set of considerations which each pastor is to use to determine how best to implement for their parish. For our parish, Fr. Patrick, with the support of the Leadership Team has implemented the following:

- Those who are fully vaccinated are not required to wear a mask or social distance, though they may continue to do so.**
- Those who are not vaccinated are asked to please continue wearing a mask and social distancing.**
- A separate section in the church has been designated for those who desire to sit in a section that provides them with social distancing (the St. Eugene area of the church).**
- Those distributing Holy Communion will continue to wear a mask.**

**Thank you for your patience, understanding and ongoing charity! It's a blessing to be here with you!**

**God bless you,**

**Fr. Patrick**
