I have experienced God during Holy Week in the many parishioners who work willingly & tirelessly to provide prayerful celebrations and gatherings for our parish family. The dedication and hard work that it takes to make Holy Thursday, Good Friday, Easter Vigil and Easter Day happen, is HUGE! From Liturgy Planners, Ministers of all kinds, food preparers, furniture movers, church decorators and people who encourage all this -- it takes a village to get the job done! THANK YOU TO ALL who brought us closer to God and the Easter Spirit!

I was particularly blessed by the young people who participated in the Stations of the Cross on Good Friday. They gave up a good portion of their day to present a prayerful Stations experience. The adults were magnificent, too, but the young people give me hope.

I was able to bless others with unexpected cards and gifts to let them know how much I appreciate them.
