# Crusader Volunteer Community

As we plan for our 2020-21 school year, we are reaching out to our CtrCS families to help maintain a strong volunteer community while we face these uncertain times. Whether you're child or children are a part of our family virtually or in class, we can still use your help. We are always so blessed by our many volunteers who show up and make things happen! As we approach the current school year our volunteer experience will look much different. Though different we still need your help!!! Volunteers are the backbone of many of our school events and projects. We will have certain phases that allow more activities throughout the year but as we begin the school year there will be little to no at-school volunteering. Though things are different, we are still looking for volunteers to step in the committee head roles of Yearbook and Laminating. If you are interested in serving these particular committees or just want to join our volunteer list, please contact us! We have a variety of volunteer opportunities throughout the year.

## Becoming a Volunteer

We need your help and so do our children! A special thanks to all our volunteers for their hard work and dedication this past school year as crazy as it was. CtrCS we strive for excellence and what better way than to become involved today. We are in need of growth and are seeking volunteers to continue re-establishing our volunteer committees. We are in the works and planning events for the upcoming school year with the current circumstances. Either way we are looking for your support! The Crusader Volunteer Community is a team effort in which we cannot succeed on our own!

All volunteers must have Safe Environment training.
