2022

Crusader Volunteer Community

Welcome to our 2021-22 school year! We are reaching out to our CtRCS families to help maintain a strong volunteer community. We are excited to look forward to a year of events and volunteers being present! Our volunteer community is a family of friends working together for the success of our students. There are volunteer opportunities such as take home projects, sorting, assembly, on campus. We are so thankful for you!

Crusader Volunteer Fundraising

C.A.R.E. Committee Candy Grams, Boo Grams and donations help fund our staff appreciation programs such as "Back to School" in-service gifts, monthly in-service Appreciation Week and more.

We also encourage participation, leadership and support from all Crusader volunteers in our 3 major fundraising initiatives at CtRCS: The Crusader Fund, Annual Chili Cook-Off and Steps for Students 5k.

Becoming a Volunteer

We need your help and so do our students!

We are so excited to return to volunteers on campus and events for this school year. At CtRCS we strive for excellence and what better way than to join our volunteer community! There are opportunities throughout the school year for any type of volunteers. We have "take-home" projects, off campus, on campus and many other ways to help. Becoming a volunteer is

an amazing way to support our school and help events and the school year to be successful! The Crusader Volunteer Community is a team effort in which we cannot succeed on our own.

All volunteers must have Safe Environment training.
