SAVORING THE EXPERIENCE

One of the wonderful things about vacations is the time we spend two or three weeks afterward savoring the experience, sharing vacation photos and memories with our family and friends. This kind of reflection puts us back in touch with the original experience and reminds us of the relaxation and wonder the vacation afforded us. Today, on the Third Sunday of Easter, the Church blesses us with reminders of what we celebrated two Sundays ago. All three readings are reflections on the meaning of the death and resurrection of Christ. One of the threads running through these reflections is that the purpose of the Lord’s suffering, death, and resurrection was to save us, to forgive our sins. We are given fifty days to ponder this reality—fifty days to savor the experience of Christ’s dying and rising for us.

SABOREANDO LA EXPERIENCIA

Una de las cosas maravillosas sobre las vacaciones es que después de nuestro regreso nos pasamos dos o tres semanas saboreando la experiencia, compartiendo las fotos y recuerdos con nuestra familia y amistades. Esta clase de reflexión nos vuelve nuevamente a la experiencia original y nos hace volver a vivir el descanso y las maravillas que la vacación nos proporcionó. Hoy, el Tercer Domingo de Pascua, la Iglesia nos da la bendición de unos recordatorios de lo que celebramos hace dos domingos. Las tres lecturas son reflexiones del significado de la muerte y resurrección de Cristo. Uno de los hilos que unen a estas lecturas es el propósito del sufrimiento, la muerte y la resurrección del Señor fue para salvarnos y perdonar nuestros pecados. Tenemos cincuenta días para contemplar esta realidad—cincuenta días para saborear la experiencia de la muerte y resurrección de Cristo por nosotros.

APRIL IS CHILD ABUSE PREVENTION MONTH:
INTERNET SAFETY FOR KIDS

The Internet has become the new schoolyard for child molesters seeking girls or boys to victimize. Internet “chat rooms” provide a teenager with an opportunity to engage in a “live” conversation with friends from school or church, or with other teenagers from around the world. Law enforcement has found that child molesters use chat rooms to gain easy and safe access to teens. Because of the seemingly caring and seductive talent of child molesters, teenagers should be warned that when they are in a chat room, they should never provide anyone with private information, personal information, and especially their specific physical location. For more information, please contact Linda Dillen, Benefits Manager & Diocesan Safe Environment Training Coordinator, Diocese of Stockton, 466-0636.

ABRIL ES EL MES DE LA PREVENCIÓN CONTRA EL ABUSO INFANTIL:
SEGUROSIDAD EN EL INTERNET

El Internet se ha convertido en un sitio para que los depredadores sexuales de los niños puedan victimizarlos. Los sitios de “chat” proveen a los jóvenes la oportunidad de tener pláticas en “vivo” con amigos de la escuela o de la Iglesia y hasta con otros chicos en diferentes partes del mundo. Estos sitios son similares a una red telefónica, excepto que ellos están escribiendo. Los diversos departamento de policía han encontrado que los depredadores sexuales usan estos sitios para obtener acceso e información de los jóvenes, por tanto no hay que dejarlos que den ningún tipo de información personal y mucho menos una locación física.

Para obtener información por favor llame a Linda Dillen, Coordinadora Diocesana del Entrenamiento de Ambiente Seguro de la Diócesis de Stockton, al 466-0636.
