THIS SACRED MEAL
Today we celebrate the Most Holy Body and Blood of Christ. Each of the readings includes a blessing and a sharing of food. They remind us of the central place of meals in our lives. Each meal brings to mind other meals: the sharing of cookies and milk, pizza and beer, loaves and fishes, bread and wine. When we prepare a meal for our family, our friends, even strangers, we always put something of ourselves into the preparation and the meal itself. The Most Holy Body and Blood of Christ reminds us of what God put into the preparation for this meal that we celebrate today. We share this sacred meal and are transformed as we remember the death of Jesus and the sacrifice that nurtures our faith, sustains our lives, and supports our work.

ESTE SAGRADO ALIMENTO
Hoy celebramos el Cuerpo y la Sangre de Cristo. Cada una de las lecturas incluyen una bendición y un compartir de alimentos. Lo cual nos recuerda de lo importante que son las comidas en nuestras vidas. Cada comida trae el recordar la importancia de las comidas: compartir galletas y leche, pizza y cerveza, panecillos y pescados, pan y vino. Cuando preparamos una comida para nuestra familia, nuestros amigos, aun para personas desconocidas, siempre ponemos algo de nosotros en la preparación y en la comida misma. El Cuerpo y la Sangre de Cristo nos recuerda lo que Dios puso en la preparación para este alimento que celebramos hoy. Compartimos este sagrado alimento y somos transformados al tiempo que recordamos la muerte de Jesús y el sacrificio que nutre nuestra fe, sustenta nuestra vida y apoya nuestro trabajo.

Diocese of Stockton Safe Environment Office

LISTEN TO YOUR CHILDREN
This summer, when your children are out of school and on different schedules, meeting new people and going to new places, make sure that you talk to them often about their experiences and the people they’ve met. Listen carefully to your children. If possible, observe and get to know the other children and adults who are part of your children’s summertime fun. Above all, communicate your safety concerns to your children. Make sure they know that they can come to you with any concerns they may have about the people they interact with.

And, if you hear of or observe behaviors that may be inappropriate, make sure to communicate your feelings to people who are in a position to intervene. Communication is key to creating and maintaining a safe environment all year round.
