## Distinguished Graduate Award

St. Anne's School has established the National Catholic Education Association Distinguished Graduate Award. This is a national award that recognizes an individual who has significantly contributed to their church, school, or community through their profession, time, or talent, and has remained dedicated to their Catholic faith. The recipient must have graduated from St. Anne's School at least 10 years ago.

We are asking the St. Anne's community to take some time to consider this award and its importance. Please help us recognize a special individual who has contributed to their community.

If you have any questions, please contact Mrs. Gillum at the school office at 333-7580 between 8:00am and 4:00pm.
