1. In the past there were one or two 'hearing assistive devices' that could be used by parishioners. There has been a request for one; are they still available and how can they be borrowed?

**Answer:** Yes, there is an "hearing assistive devices" available. If you would like to use it for Mass, come to the sacristy before Mass and you can borrow one. We just asked to please bring your own ear buds, and return after Mass.
