Dear friends,

Once again, I want to say what a privilege and honor it is to be your pastor. I also want to thank you for taking the time this weekend—dedicated as Stewardship Sunday—to make a pledge of support to St. Rose of Lima Parish for this coming year so that we can continue our ministries and care for you, your families and for the less fortunate in our community and world. I am truly grateful for what you can sacrifice.

I also wanted to announce that next weekend, November 13—14, representatives from Assumption Catholic Cemetery will be here at St. Rose of Lima to briefly speak at all the Masses about planning for the future—making arrangements for our death.

During the month of November, our Sunday readings direct our attention to the future, toward the end of the time—either the end of our time, when is hard to think straight—it will help our families tremendously if we have already made all the arrangements.

Connected to this, we also should take the time to draw up a will. A recent statistic stated that over 55% of Americans have not written a will. Again, this step is a real act of love for your families. Without a will, your estate most often goes into probate, causing a great deal of stress for your families. During my 38 years as a priest, I have seen many families torn apart, fighting over a family estate because there was no will.

One last thing, when you write your will, it would be wonderful if you would consider leaving a portion of your estate to St. Rose of Lima (i.e. $5000 or, if you have no one left in your family, your entire estate) so that we can do our part to secure a future for our beautiful parish community.

In this month of November when we pray for our beloved dead, let’s also take the time to prepare spiritually and materially for our own death. May God bless you.

Yours in Christ,

Fr. Joseph Shea

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex or national and/or ethnic origin in the administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic and physical abilities and the resources available to the school in meeting the student’s needs.

**Why are some RCIA participants dismissed in the middle of the Mass?**

This Sunday, at one of the morning Masses, those adults and children preparing to be baptized into the Catholic Church, and those preparing for full communion will be dismissed at the end of the Liturgy of the Word. This will continue each Sunday until Easter when, at the Easter Vigil, those who are ready will join us at the Table of the Eucharist for the first time. The parish is not sending them out because they are somehow “unworthy” to stay for the Liturgy of the Eucharist. Though they cannot yet come to the table of the Eucharist, Mother Church still has an obligation to feed those who have entered into a relationship with her through the Rite of Acceptance and Welcoming which was celebrated recently. God’s Word is the only food during this period. Instead, the participants depart from the Mass with one or more RCIA team members, to discuss the Mass readings for that Sunday and to experience more fully the impact of the Scriptures in their lives. This time is known as “Reflection on the Word.”

**All Scripture is inspired by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the one who belongs to God may be complete, equipped for every good work.” (2 Timothy 3:16-17)**

We also would like to introduce you to our children who have made their first step toward the Sacraments of Initiation through the Rite of Acceptance.

Daniella Burbano, Izabel Duran, Sarah Hernandez, Blayne Pringle, Michael Singh

Please join with us in praying for the Holy Spirit to guide all of them as they journey on this path of faith.

Archdiocese offers program to empower children
Abuse prevention includes empowering children by teaching them body safety rules and steps they can take to ensure their own safety. The Archdiocese of Los Angeles currently offers age-appropriate prevention programs for children by VIRTUS®. All of the programs encourage parent involvement in reinforcing what their children learn by providing parent information and materials so that parents may fulfill their role as the “primary educators” of their children. Queridos amigos,

Una vez más, quiero decirles que es un privilegio y un honor ser su pastor. También quiero darles las gracias por tomarse el tiempo este fin de semana, dedicado como Domingo Administrativo— para hacer un compromiso de apoyo a Santa Rosa de Lima para el próximo año para que podamos continuar nuestros ministerios y cuidado para ustedes, sus familias y para los menos afortunados en nuestra comunidad y el mundo. Estoy realmente agradecido por lo que puede sacrificar.

También quería anunciar que el siguiente fin de semana el 13 y 14 de noviembre, representantes del Cementerio Católico de la Asunción estarán aquí en Santa Rosa de Lima para hablar brevemente en todas las Misas de el planear para el futuro, haciendo los arreglos para nuestra muerte.

Durante el mes de noviembre, nuestras lecturas del domingo dirigen nuestra atención hacia el futuro, hacia el final del tiempo, ya sea el final de nuestro tiempo cuando es difícil pensar recto— ayudaría a nuestras familias tremendamente si ya hemos hecho todos los arreglos.

Conectado a esto, también debemos tomar el tiempo para elaborar un testamento. Una estadística reciente afirma que sobre el 55% de los estadounidenses no tienen un testamento. Otra vez, este paso es un verdadero acto de amor por sus familias. Sin testamento, sus bienes más a menudo entra en sucesiones, causando una gran cantidad de estrés para sus familias. Durante mis 38 años como sacerdote, he visto muchas familias destrozadas, luchando por un estado de familia porque no había ningún testamento.

Una última cosa, cuando escriban su testamento, sería maravilloso que ustedes consideraría dejar una porción de sus bienes a Santa Rosa de Lima (es decir, $5000 o, si no tiene a nadie en su familia, su patrimonio entero) para que podamos poner nuestra parte para asegurar un futuro para nuestra comunidad parroquial.

En este mes de noviembre cuando oramos por nuestros amados difuntos, también tomemos el tiempo para prepararnos espiritualmente y materialmente para nuestra propia muerte.

Que Dios los bendiga.

Suyo en Cristo,

Padre Shea
