Fr. Shea, presided over the Mass that united these 4 couples in Holy Matrimony on Saturday, February, 13th. After having married over 4,800 couples in his 37 years of priesthood, his “secret” to success in life & marriage to the couples was to keep God at the center of their lives, using the acronyms:

G – Generosity or Gift  D – Don (o Generosidad)
O – Order (of priorities)  I – Instrumento de felicidad
D – Dedication  O – Orden de prioridades
S – Siempre

Some Popular Catholic Myths Part 5

**“The Church doesn’t do enough to help the poor.”**
This is one of the most erroneous Catholic myths in modern times. On the contrary – the Catholic Church is the LARGEST charitable organization in the WORLD. Every day, the Catholic Church feeds, clothes, shelters and educates more people than any organization in the world – even more than many countries. Charities run by the Church include:
- 5,305 hospitals including 1694 in the Americas and 1,150 in Africa.
- 18,179 clinics including 5,762 in the Americas and 5,312 in Africa 3,884 in Asia.
- 17,223 homes for old people, the terminally ill and the handicapped – most of them (8,021) in Europe and the Americas (5,650).
- 9,882 orphanages – a third of them in Asia.
- Countless homeless shelters and food banks.

**“The Church has changed its position and no longer believes in Purgatory.”**
This is patently false. This is often confused with the Church’s position on Limbo, which was never a matter of doctrine but merely a way of trying to reason the fate of unbaptized children. The doctrine of Purgatory, however, is rooted in Scripture and has always been a teaching of the Church. According to the Catechism of the Catholic Church, it’s a “final purification of the elect” (1030-1032).

**“Catholics were prevented from reading the Bible During the Middle Ages.”**
Nothing could be further from the truth. During this period, the world’s illiteracy rate was close to 85%. Most people couldn’t even read the Bible let alone own one. Because they were handwritten, Bibles during this time were extremely expensive and hard to come by. Churches would chain their copies to the pulpit. This was not done to keep the Word of God from the masses – but to protect it from theft. During this time, some educated heretics took to making their own translations of the Bible. The result was inaccuracy and perverted doctrine. Since the Church was the only place one could acquire an officially-translated Bible, they were kept from the general public. This is no way means that the public was kept from the Bible – just from owning a copy so that they could distribute their own flawed translations.

**Dear friends,**

Today is a very sad day for me. Along with you, I say good-bye to Fr. James Maher, who will be retiring from ministry here at St. Rose of Lima, after serving us for four wonderful years. He will be greatly missed because he is a good friend and one of the best priests I have ever been associated with. He has been such a gift to the parish and to me personally, especially with his ministry to the sick.

I know all of us wish him well and I want him to know publicly that he will always have a place to stay when he comes back to visit in Simi Valley. May God bless you, Fr. Jim—we all do! And may God give you many more happy and healthy years in your retirement.

Yours in Christ,

Fr. Joseph Shea

**RCIA**

Why are some RCIA participants dismissed in the middle of the Mass?

This Sunday, at one of the morning Masses, those adults and children preparing to be baptized into the Catholic Church, and those preparing for full communion will be dismissed at the end of the Liturgy of the Word. This will continue each Sunday until Easter when, at the Easter Vigil, those who are ready will join us at the Table of the Eucharist for the first time. The parish is not sending them out because they are somehow “unworthy” to stay for the Liturgy of the Eucharist. Though they cannot yet come to the table of the Eucharist, Mother Church still has an obligation to feed those who have entered into a relationship with her through the Rite of Acceptance and Welcoming which was celebrated recently. God’s Word is their only food during this period. Instead, the participants depart from the Mass with one or more RCIA team members, to discuss the Mass readings for that Sunday and to experience more fully the impact of the Scriptures in their lives. This time is known as “Reflection on the Word.”

Inquiry Sessions for anyone considering becoming Catholic can join us at 7:30 pm in Room 10 of the school. If you are unbaptized, baptized in another faith denomination or are baptized Catholic and need both the sacraments of Eucharist and Confirmation, we invite you to join us. For information, please call Julia Dobrucki at 915-4625.

Fire safety starts at home
When families have fire plans in place, they are much more likely to escape the dangers should a fire occur. Because a fire can separate parents from their children, it’s important that everyone knows how to get out of the house safely and where to go. La seguridad contra incendios comienza en casa
Cuando las familias tienen planes contra incendio, tienen más probabilidades de escapar de los peligros en caso que ocurra un incendio. Debido a que un incendio puede separar a los padres de sus hijos, es importante que todos sepan cómo salirse de la casa y dónde ir. Enseñar a sus hijos a ser ingeniosos en situaciones de peligro puede ayudarles en todos los aspectos de sus vidas. Para más información de la Cruz Roja Americana sobre planeación de un escape en caso de incendio, envíe un correo electrónico a jvienna@la-archdiocese.org.
RENGLONES RECTOS

“Dios escribe derecho en renglones torcidos”, dice el refrán. El testimonio contundente de san Pablo, cuando nos dice que todo es basura fuera del conocer a Cristo y experimentar la fuerza de su Resurrección, es un mensaje bien directo y claro –aunque Dios sabe que Pablo anduvo por una senda bien torcida antes de recibir la luz cegadora del Señor.

Isaías nos recuerda que los grandes milagros del pasado no son nada en comparación con la nueva creación que Dios va a realizar. “¿No lo notan?” nos pregunta el profeta, como si todavía anduvieran perdidos por nuestras sendas torcidas.

Y no hay renglón más derecho que la línea que conecta la intensa miseria de una mujer pecadora con la misericordia de Dios que se muestra en la persona de Jesús. ¡Eso sí que son Buenas Nuevas!”

TRADICIONES DE NUESTRA FE

Artesanos preparan alfombras de flores y plumas de quetzal en Guatemala para las fiestas de esta semana santa. Grupos de fieles practican su papel de personaje judío o romano para los vía crucis en México, Texas, Chicago y tantos lugares más. Fraternidades penitenciales están preparándose espiritualmente para cargar con imágenes sagradas y pesadas por calles españolas. Muchos más están preparando sus maletas para irse a la playa o las montañas donde, probablemente, nunca recordaran el nombre de Jesús.

Estos últimos se perderán las liturgias más significativas de nuestra fe cristiana; ritos llenos de movimiento desde afuera de la Iglesia hasta adentro. Están llenos de símbolos que nos llaman a la verdad de la existencia cristiana y humana: somos personas paradójicas. Comenzamos entre los hosannas del Domingo de Ramos, pasamos por las dolorosas imágenes del Viernes Santo y terminamos entre juegos de oscuridad, fuego y agua en la Vigilia Pascual. Muchas veces honramos al Señor y tantas veces lo negamos, pero él nunca deja de llamarnos. En fin nos recuerda que la condición humana es sagrada y profana a la vez.
