GOD'S INVESTMENT STRATEGY

God knows the tremendous influence and power money has over our lives. We spend so much of our time dreaming about it, earning it, investing and spending it. That’s why God needs to tell us how to use money wisely. Jesus does just that in the parable of the Shrewd Manager Luke 16:1-13. This is one of the most misunderstood parables in the Bible. Many people think Jesus is commending dishonesty. Jesus is not commending this man for being dishonest, but He does say there are some things we ought to learn from the shrewd manager. In the parable, in verses 9-13, Jesus gives us four lessons about money: 1) a purpose; 2) a pattern; 3) a principle and 4) a priority. He says, "This is what you need to do if you want to know about God's money management plan."

1. THE PURPOSE OF GIVING. v. 9 "I tell you, use worldly wealth to gain friends for yourselves, so that when it is gone, you will be welcomed into eternal dwellings." Does that shock you? Use worldly wealth to gain friends so that when you get to heaven they'll welcome you in. What is He talking about? He is not saying that you can buy your way into heaven. He is not saying, “Pay for your salvation.” He's not saying, “Bribe God to get to heaven.” What is He saying? The greatest use of my money is to invest it in getting people into heaven. That's by far the highest and best use of my money -- to invest it in getting people into heaven. He's saying use your money to build relationships that are going to last forever. He's saying heaven should be full of people who cheer when you get there, saying, "Look who's here!" We've been waiting for him! Can you imagine somebody coming up to you in heaven and saying, "I want to say thanks. I'm here in heaven because of you." You say, "I never talked to you about the Lord. I never witnessed to you. I never gave you the plan of salvation." He says, "You gave to that ministry. You gave to that church that did touch my life."

Another verse that relates to this, Matthew 6:20-21: "Store up for yourselves treasures in heaven, where moths and rust do not destroy and where thieves do not break in and steal. For where your treasure is, there your heart will be also." Jesus says whatever I buy on earth is eventually either going to rot, rust, fall apart, wear out, or be stolen. Things don't last. If I buy a car, it gets a dent in it. If I buy clothes, they wear out. I buy food, it goes to my waist -- then I wear out. Things don't last. That's the point. Don't spend all your money, just on things. But people do last. They will last one of two places for eternity -- heaven or hell. The way I spend my time and money may determine where they spend their eternity.

2. THE PATTERN FOR LIVING. God expects us to be responsible with the way we manage our money, the way we save it, the way we spend it, the way we give it. v. 10 "Whoever can be trusted with very little can also be trusted with much, and whoever is dishonest with very little will also be dishonest with much." God says if I am faithful with what I have then God can trust me with more of it. If I am faithful with what I have right now, then God can trust me with more of it. That applies to every area of life. If you've got a little talent and you develop it, it will get bigger. If you've got a little responsibility, you be determined and dependable at work, you'll probably get a promotion. You got a little money, you manage it wisely, it will get bigger. I'm not a believer in the health and wealth gospel. I don't think God wants everybody to be a millionaire. But the issue is, whatever you manage carefully, success comes from faithfulness in the little things. When you manage well and are faithful in little things, you get big results.

3. THE PRINCIPLE OF BLESSING. v. 11 "So if you have not been trustworthy in handling worldly wealth [money management], who will trust you with true riches?" God says, "I use money to test you." The point is, the Bible teaches very clearly that what I do with my money determines how much God can bless my life. There is a direct relationship in the Bible between what I do with my money and the spiritual depth in my life. How I deal with my money -- how I use it, how I spend it, how I save it, how I give it -- directly affects the amount of spiritual blessing God can trust me with. Most Christians are totally unaware of that principle. People say, "I'm just not making it. My life is stuck at dead center. I've got the spiritual blahs. I'm just not growing. My life is shallow. I don't have any power in my life. I go up and down... I'm on a spiritual roller coaster." My advice to that person is check out your checkbook. (continued on page 5)

No matter what a person says is important in their life you can tell what is really important in their life by looking at their schedule and their checkbook stubs. The way I spend my time and the way I spend my money tells what's really important to me regardless of what I say. Inconsistent giving produces inconsistent living. You show me who's having victory in the area of money management -- learning to save, learning to spend wisely, learning to give faithfully -- you show me somebody who's growing in those areas and I'll show you somebody who's excited about what God's doing in their life and will manifest the true riches of God's love.

4. THE PRIORITY OF LOVING. Jesus summarizes it all in v. 13 "No servant can serve two masters. Either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve both God and Money." I must choose what I will love most in life. It's a choice. You can't love two masters. Jesus says, really when you get down to it, the choice really comes down to two things about what I'm going to love most -- God or money. I've got to choose what I'm going to love most in life. The very first commandment in the Ten Commandments is "Thou shalt have no other gods before me." God wants first place. Anything that takes most of my time and most of my thought and most of my energy has a tendency to become a god. Money is a great servant; it is a lousy god. Money is to be used not loved. There is absolutely nothing wrong with money. It's neither good nor bad. It's neutral. What makes a difference is how you spend it, how you made it, what you do with it. There is nothing wrong with being wealthy. There is nothing inherently evil in that. Money is not the root of evil; the love of money is. We should love God and love people, and use things. What happens when you get that reversed, when you start to love money, you're going to use people. If I live for money, it becomes my master. If I give my money, it becomes my servant. I tell it what to do if I use it wisely. If I try to live for God and money at the same time, I have mass confusion in my life. God insists on first place in my life. God insists on first place in your life. He deserves it. We prove that God is first when we tithe as God commands.

Matthew: The King and His Kingdom
by Jeff Cavins and Sarah Christmyer
Matthew: The King and His Kingdom is an exciting study that explores the life and mission of Jesus as recorded in the Gospel. Matthew demonstrates how the promises and prophecies of the Old Testament are fulfilled in Christ, who establishes a New Law and inaugurates the Kingdom of Heaven on earth. Participants will see Jesus as the awaited Messiah who relives the life and struggles of Israel to become the faithful and victorious King. Set in the rich context of Jesus’ Jewish culture, this study will help participants understand who Jesus is and what his life and teachings mean for us today. Matthew is an ideal follow-up study to the basic narrative of Scripture taught in The Bible Timeline study.

We will meet every Thursday starting Sept. 8 at 7:00pm in Room 8. For more information please contact:
Dr. Neil Fanning at (805) 217-4300.

**Did you Know?**

**Pokémon Play games too**

Pokémon Go and other popular cell phone games attract kids and adults of all ages, but not everyone who plays is doing it for fun. Some predators use online games as a way to connect with potential victims and find out where they're playing. It is important to teach kids not to share locations online with anyone they don’t know in real life (anyone who is not a trusted friend, sibling, relative, etc.), and take steps to disable location-sharing features on cell phones and devices if possible. For more information, visit: https://www.faithandsafety.org/strangers-and-predators1.

**¿Sabia Usted?**

Los depredadores también juegan Pokémon Go y otros juegos populares en teléfonos celulares atraen a niños y adultos de todas las edades, pero no todos los que juegan lo hacen por diversión. Algunos depredadores usan los juegos en línea como una forma de conectarse con víctimas potenciales y para descubrir dónde están jugando. Es importante enseñar a los niños a no compartir su ubicación por Internet con alguien que ellos no conocen en la vida real (cualquiera que no sea un amigo de confianza, hermano, familiar, etc.) y tomar los pasos para bloquear las capacidades de compartir ubicación en teléfonos celulares y otros aparatos, si esto es posible. Para más información, visite a https://www.faithandsafety.org/strangers-and-predators1.

Once again our festival and auction will feature gourmet foods from many restaurants. We will serve fine wine from California wineries; beer from some well-known breweries; desserts from the finest bakeries around. During your dinner you will be entertained by one of America’s most requested and loved “Frank Sinatra” impersonators Vaughn Suponatime. As a younger Frank Sinatra look alike and a natural Sinatra sound alike, Vaughn's celebrity tribute show spans all through the musical career of "The Chairman of the board" from the Big Band days through the Rat Pack nights and beyond.

After the dinner and returning this year as our headliner will be a rousing concert and dancing provided by the always very popular “Ronny & The Classics” who will once again be playing all your favorite oldies from the 50’s through 80’s.
