Dear friends,

First, I want to express my profound gratitude to all of you who participated in Stewardship Commitment Sunday. Thank you for joining me in making a monetary commitment to St. Rose of Lima so that we can continue our ministries and mission in Simi Valley.

Second, I want to thank the Simi Valley Dream Cuisine Festival Committee for all their hard work in planning and preparing for our wine and food festival. They have done an extraordinary job. I also want to thank the St. Rose of Lima Grade School for their incredible work on the Silent Auction portion of our festival. And I would like to thank all the vendors who are going to provide all the food and drink for the evening.

Finally, I would like to thank all the parishioners who are participating in this year’s festival either by being paid guests or by volunteering. We wouldn’t be able to raise the funds for the poor without you.

May God bless you for your goodness—I certainly do!

Yours in Christ,

Fr. Joseph Shea

ST. ROSE OF LIMA SCHOOL STUDENT NON-DISCRIMINATION POLICY

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color or national and/or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school.

The school does not discriminate on the basis of race, color, disability, sex or national and/or ethnic origin in the administration of educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single sex schools.

While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student’s emotional, academic and physical abilities and the resources available to the school in meeting the student’s needs.

When secrets become dangerous

There is no better time of year to review the important family rules that help to keep all children safe. It takes just a few moments to review with your children what to do in an emergency, who the special and safe adults in their life are, and the importance of not keeping secrets. Some secrets, like a gift for a special occasion, can be fun and safe to keep. Secrets that hurt others, involve any kind of unsafe or inappropriate touching or anything that bothers a child – are secrets that are NOT safe to keep. Help your child understand the difference. For a copy of the VIRTUS® article “Back to School: Secrets,” email: jvienna@la-archdiocese.org.

Cuando los secretos se vuelven peligrosos

No hay ningún mejor momento durante el año para repasar las reglas familiares sobre la seguridad de los niños. Toma sólo unos pocos minutos para repasar con sus hijos qué hacer durante una emergencia, quiénes son los adultos especiales en su vida con quienes están seguros, y la importancia de no mantener secretos. Algunos secretos, como un regalo para una ocasión especial, pueden ser divertidos y seguros de mantener. Secretos que hacen daño a otros, que implican contacto físico inapropiado, o cualquier cosa que molesta a un niño, son secretos que NO son seguros de mantener. Ayuda a su hijo a entender la diferencia. Para una copia del artículo de VIRTUS® “Back to School: Secrets” (Regreso a la escuela: Secretos) envíe un correo electrónico a: jvienna@la-archdiocese.org.

GRATITUD

Seguramente podemos recordar al menos unos cuantos días en nuestras vidas cuando las cosas iban tan bien que nada podía ponerlos de mal humor. Tal vez fue el día en que una persona muy especial nos invitó a su fiesta de graduación o el día de nuestra boda. Quizás fue el día en que nos enteramos de que tendríamos un hijo largamente esperado o el día en que recibimos una promoción tardía. Hubo alegría en nuestro corazón, ligereza en nuestros pasos y gran vitalidad en el curso del día. Probablemente nos fuimos al teléfono para llamar a unas cuantas personas importantes y contarles acerca de nuestra buena fortuna.

Seguramente que así se sintieron Naamán y el leproso cuando fueron curados de su terrible enfermedad. No podían contener su gratitud, y aunque ambos desconocían las costumbres de un país extranjero conocían los buenos modales de dar las gracias a las personas responsables de sus curaciones.

TRADICIONES DE NUESTRA FE

Mientras muchos celebran el descubrimiento de América esta semana, los latinos celebramos más bien el Día de la Raza, insistiendo que Colón no pudo descubrir lo que no estaba ni perdido ni escondido. El 12 de octubre de 1492, Rodrigo de Triana gritó: “Tierra a la vista”. Estas fueron las primeras palabras europeas que sonaron en el hemisferio occidental. Rodrigo gritaba a los españoles agitados y cansados por su largo viaje. Él les daba la buena noticia de que estaban por llegar a Guanahani, que Cristóbal Colón renombró San Salvador.

Es así como se engendró un nuevo pueblo en América. Una raza mestiza se engendró en la búsqueda de Asia y luego fue dada a luz con el derrame de sangre indígena a manos del conquistador. A través del tiempo el continente americano poblado por nativos, ha recibido sangre, cultura e idioma europea, africana y asiática. De esta manera se ha ido desarrollando nuestro mestizaje. Celebremos que somos una mezcla de sangres, culturas, lenguas y creencias. Somos raza mestiza, nacida en el dolor; trabajamos y luchamos por una vida mejor.

Voting As Catholics

It seems like we are always in an election season. We are bombarded about the candidates and issues from all sides and are left to make the decisions of picking new leaders or voting in new laws and ordinances. For the Catholic voter, there are some non-negotiable issues that we should remember before going to the polls. They include, Abortion, Euthanasia, Embryonic stem cell research, Human cloning and Homosexual “marriage”.

Many candidates run their campaigns in support of these issues while others either oppose them or avoid them altogether. The truth is that many Catholics vote with a complete disregard for the truths of God as taught by his Church.

The Church, being the mystical Body of Christ, is the pillar and foundation of truth on which Christ himself bestowed his authority (Matt. 16:19, 18:15-18, Luke 10:16, John 16:12-15, 20:21-23). The truth is not optional – it is not up for grabs. John 14:6 tells us that Jesus the truth itself. Rejection of the truth for one’s own version of it is called moral relativism, which simply put, is the sin of pride.

If every Catholic in the U.S. voted according to Biblical principles and what is taught in the Catechism, abominations such as abortion could be a thing of the past in this country. The tragic fact is that many Catholics do not vote according to their faith and choose instead to elevate a variety of other, lesser important issues to the forefront. For example, it can be said that Abortion is arguably the most important and urgent issue of our times, yet many Catholics will vote for candidates who are in full support of Abortion “rights”. They vote against issues like Parental Notification and Euthanasia laws that are cleverly disguised as “Privacy” and “Death with Dignity”.

In Matt. 5:14, 16, Jesus said “You are the light of the world. A city set on a mountain cannot be hidden. Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.” We must stop thinking as worldly people and think instead as Godly people. We are, after all, his Body of which HE is the Head. Pope Pius V stated, “All the evils of the world are due to lukewarm Catholics.” Sadly, his analogy was dead-on accurate.

We must remember that support of issues such as abortion and embryonic stem cell research are diametrically opposed to our beliefs as Christians. Voting to proliferate this evil makes us partakers in it. We cannot claim innocence in the face of evil when we have done nothing to stop it - and we certainly can’t claim that we are innocent when we actively participate in it. One famous Catholic Evangelist once said, “You can’t be Catholic and pro-Choice – get that straight once and for all!” Amen to that.
