LENT 2018

Prayer, Fasting and Almsgiving—are the three things we need to work on during the season. Lent is essentially an act of prayer spread out over 40 days.

It’s a time to fast. With the fasts and abstinence of Ash Wednesday and Good Friday, meatless Fridays, and our personal disciplines interspersed, fasting is actually a form of penance, which helps us turn away from sin and toward Christ. This means that all Catholics from 14 and up are required to abstain from meat and Catholics 18-60 are required to eat only one average meal and two snacks without anything else. Children, the elderly and those who are sick are not obliged to do this.

It’s a time to work on discipline. Instead of giving something up, it can be doing something positive. “I’m going to pray more. I’m going to be nicer to my family, friends and coworkers.”

It’s about dying to yourself. The more serious side of Lenten discipline is that it’s about more than self-control – it’s about finding aspects of yourself that are less than Christ-like and letting them die.

Don’t do too much. It’s tempting to make Lent some ambitious period of personal reinvention, it’s best to keep it simple and focused. There’s a reason the Church works on these mysteries year after year. We spend our entire lives growing closer to God. Don’t try to cram it all in one Lent.

Reach out in charity. As we experience weakness and suffering during Lent, we should be renewed in our compassion for those who are hungry, suffering or otherwise in need. The third part of the Lenten formula is almsgiving—it’s about reaching out to others and helping them without question as a way of sharing the experience of God’s unconditional love.

Thank you very much to our dinner hosts.

R.C.I.A. Rite of Sending
Next Sunday, February 18th, the First Sunday of Lent, Parishes will celebrate the R.C. I. A. “Rite of Sending”. The Rite of Sending offers the parish community, through their Godparents and Sponsors, an opportunity to acknowledge the spiritual progress the Catechumens and Candidates have made, and send them forth to our Bishop with assurance of our Parish’s care and support.

Across the world, Catholic Bishops welcome to their Cathedrals, Catechumens (unbaptized) and Candidates (already baptized), sent by local parishes, to gather together with their Godparents and Sponsors, in what is known as the “Rite of Election” on February 18th for Catechumens and the “Rite of Calling to Continuing Conversion” on February 25th for Candidates.

In Sacred Scripture, the Book of Revelation makes reference to a “Book of Life” in which are written the names of those who have chosen to follow Christ and be baptized. We, who are already baptized, had our names written in the Book of Life at our Baptism. In the Rite of Sending, those preparing for Baptism are invited to come forward and sign the “Book of The Elect,” as a sign of their desire to be numbered among the chosen of God.

So we, the Parish Community of St. Rose of Lima Church, Send our Catechumens and Candidates to Archbishop Jose Gomez. We are asked to continue to pray for them as they enter into the final period of preparation for their Full Initiation into the Catholic Church at the Easter Vigil Celebration.

“Is it Jesus that you seek when you dream of happiness; he is waiting for you when nothing else satisfies you.”

La identificación temprana puede ayudar a prevenir los efectos a largo plazo
Saber identificar signos potenciales de abuso y negligencia puede ayudar a los padres y otros adultos a tomar medidas más rápidamente y ayudar a prevenir más abuso. Los adultos que pasan mucho tiempo con los niños, como padres, maestros, miembros de la familia, deben estar atentos, ya que los niños que han sufrido abuso pueden experimentar culpa, ansiedad, dificultades de aprendizaje, agresión o comportamientos autodestructivos. Para solicitar una copia del artículo de VIRTUS © “Early Identification is Crucial” (La identificación temprana es crucial) envíe un correo electrónico a bmelendez@la-archdiocese.org o llame al (213) 637-7508.

Early identification can help to prevent long-term effects
Knowing how to identify potential signs of abuse and neglect can help parents and other adults take action more quickly and help prevent further abuse. Adults who spend a lot of time with kids – parents, teachers, family members – should be on the lookout, as children who have suffered from abuse may experience guilt, anxiety, learning difficulties, aggression or self-destructive behaviors. To request a copy of the VIRTUS® article “Early Identification is Crucial” email jvienna@la-archdiocese.org or call (213) 637-7227.
