PRIEST RETIREMENT FUND

June 9th & 10th
Priests are selfless sources of inspiration, wisdom and comfort who dedicate their lives to guiding us through daily sacraments as well as life's most extraordinary events. From the joyous celebrations of baptism and marriage through anointing the sick and mourning our losses, they stand beside us. With minimal compensation and little or no pension, they often retire with nothing to fall back on. What better way to offer thanks and gratitude to those who have given so much to us and continue to serve our communities long after their administrative duties are fulfilled. Let us make a little sacrifice and show them how much we appreciate the sacrifices they have made by contributing to the Retirement Fund for our Archdiocesan Priests Retirement Fund.

Where Does my gift go?
Your generous gifts made to the Priest Retirement Fund go directly to the Priest Pension Plan where they are invested and held in a trust account. The pension plan provides for the monthly pension and medical benefits of our currently retired priests and helps to fund the future retirement of our active priests.

How to give?
• Please complete a pledge envelope found in your pew.
• Make a gift online by visiting: prfla.org
• Make your gift over the phone
• Make your gift over the phone by calling 213-637-7672
  Monday—Friday, 8:00 a.m. — 5:00 p.m.

Next Sunday, June 17th is Father’s Day. Our fathers play a very important role in our lives. Let us honor them by offering a Novena of Masses. May they receive the grace that God in his infinite love has for them. Cards may be found in the vestibule. Please include the names of your father, grandfather, uncle or father figure in your life and drop them in the collection basket or take them to the rectory. Your petitions will be placed on the Altar from June 17 through June 25.

To those already Catholic; extend the invitation to a family member or friend. Offer to journey with them and be their Sponsor – what a gift you will give them.

Practice fire safety in the home

Developing a family fire plan for evacuation can save lives. Children should be a part of the planning, and should know which exits to use to get out of the house and where to meet once they are safely outside. Smoke detectors and fire extinguishers should also be part of your plan; children should know what to do if the smoke detector goes off, and older children should be taught how to use a fire extinguisher. Love is patient. Love is kind. It is not jealous. It does not boast. It is not proud. It is not rude. It does not seek its own interests. It is not easily angered. It keeps no record of wrongs. Love does not rejoice over wrongdoing but rejoices with the truth. It bears all things, believes all things, hopes all things, endures all things. Love never fails.

Desarrollar un plan de evacuación familiar en caso de incendio puede salvar vidas. Los niños deben ser parte de la planeación y deben saber qué salidas usar y dónde reunirse. Los detectores de humo y los extintores de incendios también deben formar parte de su plan, y sus hijos deben saber qué hacer si el detector de humo se activa y los niño mayores deben saber cómo usar un extintor de incendios.
