St. Junipero Serra Feast Day-July 1st

Not only because of his place in American history as the founder of a chain of missions in Mexico and California, but also because of his life of priestly zeal and heroic virtue, Fray Junipero Serra, OFM, was chosen as the patron of the apostolate of Serra International. Serra International is the only lay organization aggregated to a primary pontifical work. This gifted Franciscan friar had occupied the Duns Scotus chair of philosophy in Mallorca, Spain, until he felt the call to commit himself further to the service of Christ as a missionary in the New World. Departing from Cadiz, Spain, in 1748, he made the perilous crossing of the Atlantic Ocean in a small ship, landing at Veracruz on the southern shore of the Gulf of Mexico. From there, he journeyed on foot to Mexico City, where tradition has it that he prayed at the church built over the famous site where the Virgin of Guadalupe appeared to St. Juan Diego in 1531.

Fray Junipero Serra was transferred to the Sierra Gorda region at his own request, and was appointed President of the Sierra Gorda missions in 1751. After nine years, he was asked to undertake his missionary work some 1,200 km away on the Pacific coast of the North American continent, much of the time suffering with an ulcerated leg. Fr. Serra and his fellow Franciscan friars eventually established a chain of missions in Alta California and worked tirelessly to bring Christ to the indigenous peoples. After a lengthy period of missionary activity, Fr. Serra died in 1774 at the San Carlos Borroméo de Carmelo Mission, in Carmel, California, U.S.A. his favorite mission.

Despite the fact that, during his time as a missionary, Father Serra had very little involvement with promoting priestly vocations, today it can only be considered providential that a holy priest who demonstrated such zeal for the salvation of souls would be chosen as the patron of the global vocations apostolate the Serra International, considering that the primary focus of its work is fostering and promoting vocations to the holy priesthood and to supporting the sacred ministry of priests, those who spend and consume themselves for the salvation of souls.

“Be still, and know that I am God” (Psalm 46:10)

Jesus said: “Come to me, all you who labor and are burdened, and I will give you rest.” (Mt. 11:28-30)

Come To Me, Visit Me Before the Blessed Sacrament

Why come to Eucharistic Adoration
Those who visit the Most Blessed Sacrament for at least one half hour and go to Confession, Communion and pray the Creed, the Our Father, Hail Mary and the Glory Be for the intentions of the Pope will receive a Plenary (complete) Indulgence. That is the remission of all the punishment in purgatory due to a sin which has already been forgiven in confession. Those who only visit and adore the Most Blessed Sacrament for a period less than one half hour will receive a Partial Indulgence which removes part of the punishment due to sin. To become a scheduled Adorer fill out the following Adoration form and drop it off in the collection basket or call

Keeping children safe during summer

During the summer, children may spend time at a camp or program. It is important to monitor for potential risks when a child enters a new environment. Ask to see the organizations written policies for the adults who will be supervising your child, check if there are procedures in place for emergencies and make sure there is a system for open communication between parents and organizers/leadership. Taking time to check these and other safeguards is key to building safe and nurturing experiences for children. **¿Sabia Usted?**

Durante el verano, los niños pueden pasar su tiempo en un campo o en un programa. Es importante monitorearlos para potenciales riesgos que suceden cuando un niño entra a un nuevo ambiente. Solicite ver las políticas de la organización para los adultos que estarán supervisando a su hijo o hija, revise que la organización tenga un plan de seguridad para casos de emergencia, y verifique que exista un sistema para mantener comunicación entre los padres de familia y los organizadores y los líderes. Tomar el tiempo para probar estas y otras medidas de salvaguardias es clave para construir experiencias seguras y sanas para los niños.
