CHRISTIAN SERVICE
Penny Liberatore 581-0957
Our new principal, Mrs. Molly Harding grew up in Simi Valley, California as the third oldest of Richard and Margaret Casanova’s eight children. She is a product of Catholic school, beginning at Saint Rose of Lima Catholic School and continuing to Bishop Alemany High School in Mission Hills, California. After high school, she attended the University of Notre Dame where she earned her Bachelor of Arts degree in Psychology with a minor in Education, Schooling and Society. During her time at Notre Dame, she developed her passion for teaching and leadership through her involvement with her dorm as part of the Farley Hall leadership council, Notre Dame Women’s club soccer team as president, Notre Dame Special Olympics club member, Fulbright Brazil Research team member as a novice teacher, and teacher’s assistant at Saint Joseph Catholic School as well as in a special education classroom environment.

After graduation, she joined the Partners in Los Angeles Catholic Education (PLACE) program at Loyola Marymount University in Los Angeles, California. Through this program she received her Masters in Education and Multiple Subject Teaching Credential. She taught at Saint Bernard Catholic School in Glassell Park, California during her PLACE Corps years and continued there as the second grade teacher. During her time at Saint Bernard she became involved in various roles such as athletic director, coach for various sports, summer enrichment camp program director for two summers, Glassell Park Neighborhood Council community liaison, sacramental preparation and religion coordinator, and Catholic Communication Collaboration (C3) Technology Conference presenter for two summers. For the 2015-2016 school year she was appointed as a vice principal. In addition to her involvement at Saint Bernard, she had also been a member of the Archdiocese of Los Angeles religion standards committee who had worked together to develop, evaluate, and updated religion standards for the diocese.

She continued her growth and development in Catholic leadership as she joined the first cohort of Onward Leaders in 2016-2017 as the resident principal at Holy Trinity Catholic School. During this year, she was able to develop as a model in faith, service, and academic excellence with the guidance and support of her mentor principal, Onward Leaders director, and fellow cohort members. Following her year of residency, she was blessed to serve as the principal at Saint Ferdinand Catholic School in San Fernando to support this community and continue to help form disciples of Christ and young leaders of faith. Most recently, she served as an Academic Excellence Specialist for the Archdiocese of Los Angeles Department of Catholic Schools. During her work with the Onward 4 Excellence team, she worked with principals as she visited schools, observed student learning, assisted in identifying an area to focus for continued academic growth, and developed workshops for professional development of principals and teachers.

Saint Rose of Lima has a very special place in her heart – this community and school have been pivotal in her personal faith, academic, and life journey. This is the community in which her faith and love of learning first began. She believes that her call to leadership at Saint Rose of Lima is a unique opportunity where she is able to share her gifts and talents as a way to serve the Lord in a place she is blessed to call her home parish. She truly believes that her experiences as a student, a teacher, a coach, a mentor, an academic specialist, an administrator, and a new mother have prepared her for serving in this role.

As a student she remembers how the students, parents, teachers, and parish were a family – she always felt supported, encouraged, challenged, loved, and safe. She is eager to see this school thrive and be successful. She believes that if we can work together then we can all help to develop students who are faithful disciples, lifelong learners, and active individuals. We are developing both saints and scholars and guiding them on their journey to college, career and heaven.

She believes that Saint Rose of Lima provides an environment for a child to grow with the whole child in mind. At a Catholic school a child has an education that is rooted in the Gospels and children are able to experience and live out their faith. She believes in the mission of Catholic schools where all children can and will learn and each child is truly a Gift from God.

She is excited to work together to foster a school where everyone, especially our students, is filled with joy, excitement and energy.

“Helping Build Up the Domestic Church”
The term “Domestic Church” refers to the family, the smallest body of gathered believers in Christ. The Greek word ecclesiola referred to “little church.” Our Early Church Fathers understood that the home is the best place to learn how to practice discipleship, sanctification, and holiness. Are you and your family saints in training in your own “little church”? Your answer should be YES! Visit the Office of Faith Formation for more information on training to be saints!

Archbishop Fulton J. Sheen To be Beatified
"Who is going to save our Church? Not our Bishops, not our Priests and Religious. It is up to you, the people. You have the minds, the eyes, and the ears to save the Church. Your mission is to see that your Priests act like Priests, your Bishops act like Bishops, and your Religious act like Religious." – Servant of God Fulton J. Sheen
Perpetual Adoration is an angelic service, an act of profound faith and fervent love toward the Most Holy Eucharist. It is a special satisfaction to the Divine Heart of Jesus, a great comfort to the Church Suffering in Purgatory, a source of strength to the Church Militant on earth, and a cause of joy to the Church Triumphant in Heaven. Those, indeed, perform a most God-pleasing work who by their charitable contributions make it possible for Perpetual Adoration to flourish.

GOD WANTS TO BE KNOWN
The Old Testament reading from Deuteronomy praises God for inscribing the commandments in our very bodies. God’s law is not distant or foreign, but a natural part of us. In his letter to the Colossians, Saint Paul echoes Moses, praising God for becoming one of us. The truly human, flesh-and-blood Jesus reminds us that God always wants to be recognizable and familiar to us. Jesus, who is also truly God, wants to be on intimate terms with each of us. God’s passionate desire to be known by us is almost too wonderful to take in. Luke’s Gospel helps us understand how to respond. The Good Samaritan parable provides practical advice for those who believe in God’s intimate love for them and want to share that love with others. Copyright © J. S. Paluch Co.

DID YOU KNOW?

Boundaries are really important

Boundaries are critical, for you and for the children in your care. Establishing and maintaining boundaries helps teach children their importance, gives them the tools to establish their own, and to form appropriate and healthy relationships with other adults. You can avoid even a misconception of inappropriate behavior by upholding the boundaries you have established for yourself, allowing you more freedom to care for the children in your life. DESDE DE DIOS PARA SER CONOCIDO

La lectura del Antiguo Testamento del libro del Deuteronomio alaba a Dios por escribir los mandamientos en nuestros cuerpos. La ley de Dios no es extraña o distante, sino una parte natural de nosotros. En su carta a los colosenses, san Pablo hace eco de Moisés, alabando a Dios por ser uno de nosotros. Él, verdaderamente humano, de carne y hueso, Jesús nos recuerda que Dios siempre quiere ser para nosotros alguien familiar al que podemos reconocer, el que es verdadero Dios, quiere estar en buenos términos con cada uno de nosotros.

El deseo apasionado de Dios para ser conocido por nosotros es tan maravilloso para disfrutar. El Evangelio de Lucas nos ayuda a entender cómo responder. La parábola del Buen Samaritano nos provee de consejos prácticos para quienes creen en la intimidad del amor de Dios para ellos y quiere compartir ese amor con otros. Copyright © J. S. Paluch Co.

¿Sabía Usted?

Los límites son muy importantes, para usted y para los niños que están a su cargo. El establecimiento y mantenimiento de límites ayuda a que los niños entiendan la importancia de los “límites”, los cuales les otorgan herramientas para establecer los suyos y establecer relaciones apropiadas y saludables con otros adultos. Usted puede evitar incluso errores de concepto acerca de un comportamiento inapropiado, man tuviendo los límites que ha establecido para usted mismo/a y permitiendo más libertad para cuidar a los niños que están a su alrededor.
