RETIREMENT FUND FOR RELIGIOUS
Next Sunday, December 8
Support elderly religious.

Across the United States, hundreds of religious communities lack financial resources sufficient to meet the retirement and health-care needs of aging members. Many elder religious worked for years for small stipends, leaving a large gap in retirement savings. At the same time, fewer religious are able to serve in compensated ministry. Like many Americans, religious communities face the monumental challenge of funding eldercare.

**DID YOU KNOW?**

What risks are worth it for children?

In today’s society, parents are often torn between protecting their children, and letting them experience life and even make mistakes. Safety is vitally important, but there is value in learning from experience and from mistakes, too. There may be times when parents wonder if they have gone too far in their efforts to safeguard children, perhaps inadvertently rendering them children less prepared to handle real-life situations. For help in discerning when learning from experience may be appropriate see the VIRTUS® article “Safety vs. Resilience in Childhood.”

¿Sabia Usted?
¿Qué riesgos valen la pena para los niños?
En la sociedad actual, los padres de familia a menudo tienen que decidir entre proteger a sus hijos y dejar que ellos experimenten la vida e incluso cometen errores. La seguridad es de vital importancia, pero también es valioso aprender de la experiencia y de los errores. Pueden existir ocasiones en que los padres de familia se pregunten si han ido demasiado lejos en sus esfuerzos de proteger a los niños, seguramente sin desear que sus hijos estén menos preparados para manejar situaciones de la vida real. Para obtener ayuda para discernir cuándo puede ser apropiado aprender de la experiencia, consulte el artículo VIRTUS® “Safety vs. Resilience in Childhood”
