Third Sunday of Advent

December 15, 2019

(Light 2 purple candles and the rose candle)

May God keep us blameless in spirit, soul and body
for the coming of our Lord Jesus Christ.
Forever faithful is the One who calls us—God our Father!
Expectant, let us live in joyful hope
for the revelation of the glory
of our God and Savior, Christ Jesus!
To him be glory forever!
Come, Lord Jesus! Your grace be with us all.

We will learn how to be led by Spirit, keep in step with Him, be sensitive to his voice, listen for his commands, heed His warnings, and follow closely after Him. The study will include: The person and work of the Holy Spirit; the secret of bearing fruit, the gifts of the Holy Spirit, quenching and grieving the Holy Spirit, growing in the fruit of the Spirit, serving in the Spirit, and the power to overcome. It will begin, God willing, on Tuesday, January 7 until February 11 in a private home, from 10am to 12pm. Please come and invite a friend. For more information, location or to register for the study, call Judy Folster at 805-206-1957 or via email at JFolster@sbcglobal.net

**DID YOU KNOW?**

**Know the ways predators groom children**

One of the ways a predator grooms his potential victims is by allowing children to do things their parents wouldn’t — anything from playing video games, seeing R or PG-13 rated movies, or trying drugs and alcohol. To children, it can be exciting or tempting when another adult says they get to do something they want to do and have been previously denied. For the predator, this begins to set up a perceived relationship in which the predator becomes a trusted ally to whom the child can turn. Parents should be aware of who their children spend time with, and what they do together.

Conozca las formas en que los depredadores preparan a los niños

Una de las formas en que un depredador prepara a sus víctimas potenciales es permitiendo que los niños hagan cosas que sus padres de familia no los dejarían hacer, desde jugar videojuegos, ver películas clasificadas R o PG-13, o probar drogas y alcohol. Para los niños puede ser emocionante o tentador cuando otro adulto dice que pueden hacer algo que quieren hacer y que se les ha negado anteriormente. Para el depredador, esto comienza a establecer una relación en la cual él se convierte en un aliado de confianza al que el niño puede recurrir. Los padres de familia deben saber con quién pasan el tiempo sus hijos y qué hacen juntos.
