

Trinity Sunday May 30<sup>th</sup> 2021

Today is called Trinity Sunday a day in which we honor the Three Persons in God.

The way we believers have come to know the Trinity is through the gift of time.--- God entered our time when creation began. God created through love, --- and then began his dialogue of friendship within me,--- beginning with Adam and Eve.

This relationship blossomed for a while,\_\_\_ and God according to the Book of GENESIS, --- enjoyed taking daily walks in the cool of the evening . ---But soon the relationship failed, and God hid his face from all creation. And once again became a transcendent God.

God decided to near us His creation and enter us more closely in Christ. His Son became a man among us. --- With the arrival of Jesus God showed me His Face. I learned about God through Jesus' preaching , ---teaching ---and Life ,--- as written in the BIBLE .

Through Jesus, --- I now see that God is compassionate,--- kind,---forgiving ---and loving . --- God is not to be feared, but to be brought close by me. I have learned that God the Father wants his Son Jesus to be --- My way ---My Truth ---and My

LIFE. --- If I listen to God's Son in my life,--- by following Him faithfully--- then I will succeed in my LIFE.

AMEN .
