

## Mission Statement

Sewing the Seed is a Ministry of St. Rose of Lima Parish. It is an expression of our Baptismal commitment to be people of God's healing and comfort through the creation of handmade fabric gifts that are lovingly and prayerfully sewn. Members engage in sewing, quilt making and other needle work to provide prayer quilts to parishioners who are in need of support and prayers, baby blankets for Life Centers, and various projects to support others in need in our parish, community and throughout the world. The gift is meant to symbolize the loving embrace of God. All recipients continue to be held in prayer.

*My soul is fed with needle and thread.*
